2	That the provision of more localised services in community settings be supported and this be considered as part of the Momentum proposals and through opportunities for the co-location of services with other providers.	Health Systems Directorate (North).	Ongoing as estate facilities become available.	Audiology services will be sited in the new Town Centre Facility in Hartlepool – 2010. It is planned that the new development planned for Stockton will also include Audiology Services. The development and implementation of this move to more localised services forms part of the Momentum Diagnostic Project (completion expected April 2010)	2 - On Track but not yet due for completion	Project ongoing – completion date passed. Unable to confirm new target date at present.	2 - On Track but not yet due for completion
4	The Tees PCTs review the care pathway for children's screening, taking into account both the Hartlepool and Stockton models to seek to achieve best practice across the Tees PCTs.	Health Systems Directorate (North).		Need to confirm with Khalid and Peter but would suspect that this forms part of the whole Momentum pathway – see J Dobson's e mail	2 - On Track but not yet due for completion	The Consultant Clinical Scientist (Audiology) has produced a report as part of an NHS Improvement project and it is now with the PCT for consideration.
