

**11 July 2011**

**Efficiency, Improvement & Transformation Review of Mental Health and Learning Disability Services**

**Summary**

Members are asked to consider the baseline report for the Learning Disability element of this review.

**Detail**

1. At the meeting of 13 June, the Committee agreed the revised scope for the review of Mental Health and Learning Disability Services. It was agreed that the full range of adult care services for working age adults with learning disabilities should be included in the review. A baseline report has been prepared on this basis.
2. Members are requested to consider and challenge the baseline information as appropriate.
3. Attached at **Appendix 1** is a copy of the baseline report. The report includes standard information as required by the EIT process, along with further relevant detail. In particular the result of the CSED assessment of Stockton's learning disability services, from Autumn 2010.
4. Baseline information in relation to mental health services will be provided at a later stage of the review.
