

## Legal Services 2014-15 Performance Overview

### Summary

The report provides an overview of performance in relation to Legal Services during 2014-15.

### Recommendation

That the performance information be received.

### Detail

1. **Appendix 2b** to this report provides details of the legislative framework for Legal Services; key data for 2014/15; changing demography where it has a potential knock on effect for the provision of legal advice and support for other services directly affected; achievements in 2014/15; challenges, looking ahead and emerging issues.
2. **Appendix 2c** provides extracts from the Stronger Communities Thematic Summary – Q1 and Q2.
3. The performance overview will be presented to Committee for discussion.
