

## **Jim Cooke Conference Suite, Stockton Central Library**

If the fire or bomb alarm should sound please exit by the nearest emergency exit. The Fire alarm is a continuous ring and the Bomb alarm is the same as the fire alarm however it is an intermittent ring.

If the Fire Alarm rings exit through the nearest available emergency exit and form up in Municipal Buildings Car Park.

The assembly point for everyone if the Bomb alarm is sounded is the car park at the rear of Splash on Church Road.

The emergency exits are located via the doors between the 2 projector screens. The key coded emergency exit door will automatically disengage when the alarm sounds.

The Toilets are located on the Ground floor corridor of Municipal Buildings next to the emergency exit. Both the ladies and gents toilets are located on the right hand side.
