

Progress Update – A Boards

No.	Recommendation	Link Officer	Anticipated Completion Date/ Completion Date	Quarter 1/2 evidence of progress Presented to Committee on 7th December 2015 (Please state current position on recommendation or alternative action taken)	Assessment of progress (Categories 1-4)
3	The implementation of the guidance will be largely self-regulatory with a light touch enforcement intervention where appropriate.	Mike Chicken / John Angus	On-going	Neighbourhood Enforcement Officers have visited each business (in Norton, Stockton and Yarm) who have positioned an a-board, street café or their shop goods on the highway to promote the guidance. Repeat visits have been undertaken where items continue to be positioned not in line with the guidance.	1
4	The impact of the guidance is to be measured and, with input from businesses and disability groups, a report produced after six months from the date of adoption of the guidance.	Mike Chicken / John Angus	Volume of furniture on highway to be reassessed And report prepared – end quarter 3 2015/16	There are some incidents where businesses are not following the guidance in the positioning of a-boards, street cafés and their shop goods on the Highway. Full details will be included in the report to the committee.	2
