SCRUTINY REVIEW OF AREA TRANSPORT STRATEGY

Summary

As part of this evidence-gathering session, the Committee will receive a presentation from Local Authority Officers in relation to the ATS scheme, as well as consider the ATS stakeholder survey responses.

Detail

1. To supplement the evidence presented at this Committee meeting, Members are directed to the following (link provided):
 - SBC: *Local Transport Plan 2011-2016* (LTP3)
<https://www.stockton.gov.uk/media/2481/ltp-2011-16.pdf>
2. Local Authority Officers will present information specific to the review's key lines of enquiry which will include:
 - ATS funding and spend
 - Types of project proposed
 - Cost-effectiveness
 - Other Local Authority approaches
 - Local Transport Plan v ATS (objectives and spend)
3. The Committee is requested to consider responses to the survey issued to ATS stakeholders as part of this review. Collated feedback on the following questions is included within these papers:
 - Are you clear on the ATS process – do you understand how it works?
 - Do you attend ATS meetings? If so, are these managed well (e.g. invitations to meetings, circulation of papers, opportunity to speak)?
 - ATS was set-up to provide communities with direct input on investment in transport schemes in their local area – do you think that the current scheme delivers this (please explain your answer)?
 - Is there anything in your view that would improve / enhance the ATS scheme?
4. A copy of the agreed scope and plan for this review is included for information.
