One month down...

This week marks one month since our launch event during National Apprenticeship Week 2022, and what a month it has been!

In that time, we have hosted 7 events, registered over 450 people, made connections with 63 local businesses & visited 12 of the most amazing community projects across the Borough. Our current focus is to continue building momentum & really put our services on the map. We are also extremely excited to move into our innovative new Hub in Summer 2022.

Stockton Employment & Training Hub really is a Hub for ALL. There's no age limits, no minimum or maximum qualification level, just a safe place for everyone to reach their aspirations & goals - whatever they may be!

We are passionate about partnership working, we are keen to collaborate with our partners both internally & externally to secure the best possible outcomes for the residents of Stockton-on-Tees.

This is just the beginning!

Meet the Hub Team!

Fallon - Employment & Training Hub Manager

Mike - Recruitment Co-Ordinator

Sophie - Recruitment Co-Ordinator

Our team are from varying backgrounds. From Local Authority, to private sector, to being self-employed.

We work with internal and external partners including the DWP, Children's & Young Peoples Services, Learning & Skills plus many more. Meet the wider team in our next issue.

We can't wait to see our ideas come to life!

Round-Up

from The Hub

A HUB FOR EVERYONE

The Hub is for everyone.

The concept is a Hub to help people reach their goals and aspirations, whether that's to enter the world of employment, achieve a higher qualification, change career or improve confidence.

The Hub will help people achieve their goals.

A HUB FOR BUSINESS

The Hub will provide a proactive & innovative service to Stockton Borough Council region based businesses, which is adaptable to fit the business need. This will entail providing appropriately trained and experienced candidates to meet their workforce needs, upskilling existing staff, working collaboratively with their Management, and providing required training or expertise.

A HUB FOR COMMUNITY

The Hub will adopt a multi-partnership approach to ensure the best delivery for the residents & businesses of the Stockton region. This will be done in a variety of ways tailored for our community spokes.

13,934 people reached on social media in the last 28 days!
