2. These are now subject to the procedure for monitoring the implementation of agreed recommendations. An Action Plan has been drawn up and is attached at **Appendix 1** (supplemented by two additional documents – (Draft) Ward Transport Budget Guidance and a Former ATS Stakeholder Update Letter). This sets out how the relevant departments will be taking forward the agreed recommendations, and includes target dates for completion.
3. Members should consider and agree the Action Plan. The Committee will receive a detailed progress update on the implementation of recommendations approximately 12 months after the Action Plan has been agreed.
