 Yellow Flag Iris
 Marsh Marigold
 Forget Me Not
 Great Pond Sedge
 Water Plantain
 Reed Sweet Grass
 Golden Sedge
 Flowering Rush

STOCKTON BOROUGH COUNCIL
 PLANNING
 31 JUL 2008
 DATE RECEIVED

NOTE
 Marginal and aquatic planting will be translocated at the correct time of year from the existing wildlife pond. The purpose of the exercise is to create a pioneer population within the new wildlife pond with species already valued and proven to be successful on the site. The creation of a new wildlife pond and plant community will increase the depth and extent of wildlife resources on the site, whilst allowing the thinning out of plant material from the existing pond.
