

FRONT ELEVATION (EXISTING)

Scale 1:50

FRONT ELEVATION (PROPOSED)

Scale 1:50

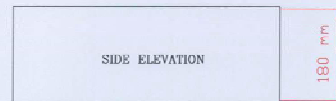

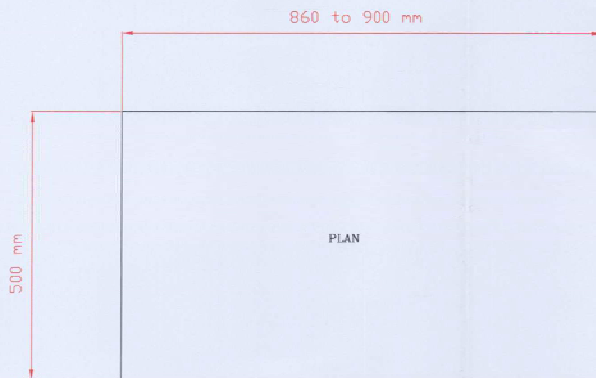

note:
this drawing should not be scaled
all dimensions must be checked on site

INDICATES POSITION OF
PROPOSED PROJECTION BOX

PROJECTION BOX (APPROXIMATE DIMENSIONS)

Scale 1:5

Dimensions are approximate and will be subject to opening size when door framing cut out. Note should be taken of minimum dimensions given on page 62 of the handbook particularly in relation to ventilation, air intake and exhaust.

Box to be constructed of mild steel with a black finish to match existing railings.

The front glazed projection panel to be of clear laminated glass or similar approved.

The box front will be flush with the brick face of the buildings front elevation
