

**KEY**

- Site Boundary
- Development Boundary

**NOTES**

Do not scale from this drawing. Shaded regions are to be taken from the drawing.

The contractor shall verify all dimensions on site before commencing any work or any drawings. The contractor shall report any discrepancies to the design team. If the contractor reports any discrepancies to the design team, the design team shall be responsible for any, part, cost, delay and/or other consequences of the work.

Customer Service Information is used on and about design drawings, and other design documents, to provide information on the project, including the project name, address, and contact information. It is not intended to be used as a substitute for the contract documents, or to alter the contract documents in any way. The contract documents shall prevail over any information provided on and about design drawings, and other design documents. The contract documents shall be provided in any format or media which is suitable for the intended use of the design team.
