SUMMARY

Members will recall that this application was considered at the 1 April Planning Committee where Members resolved to approve planning permission subject to the applicant entering into a Section 106 Agreement and the target date for signing the agreement was 31 July 2014.

The applicant has advised that they are unable to meet this deadline and have requested an extension of time in order to finalise the legal agreement.

Deadlines for the signing of Section 106 Agreement are set to ensure that planning applications are determined within the target date, however in this instance the application is outside the target date so a deadline is not necessary.

Furthermore it is acknowledged that as with any large scale site there is a need to closely consider a range of technical and legal matters often with third parties and this can lead to delay. The applicant is committed to delivering housing on the site within a realistic and achievable timescale and it is recommended that the timeframe for the legal agreement to be signed be extended for a period of five months to 31 December 2014.
