General Summary

The Highways Transport and Design Manager raises no objections to the application.

Highways Comments

The proposed signs do not affect visibility, and the proposed luminance levels are acceptable.

Informative: The applicant must ensure that all external lighting is angled/shielded to prevent glare onto the highway.

Landscape & Visual Comments

The proposed signage is acceptable following relocation of the flagpole sign to the south east corner of the plot as requested. The Highways Transport and Design Manager raises no objections to the proposals.
