

## **PARTNERSHIP STRATEGIC ASSESSMENT AND COMMUNITY SAFETY PLAN**

1. Members will be aware that we will be producing our first Partnership Strategic Assessment in January 2008. A draft of the layout of how this document will look is attached at Appendix 1.
2. It is proposed that we use data from April to September 2007 for the first Partnership Strategic Assessment as we have taken a comprehensive look at crime and anti social behaviour data and trends over at least three years in the Tackling Crime and Disorder Audit 2007. This document is our main consultation mechanism and is delivered to every door in the Borough, available on [www.saferstockton.com](http://www.saferstockton.com) and at public reception points. The high level of responses (over 4,000) has enabled us to set priorities based on local needs.
3. We have discussed the priorities chosen in Agenda Item Number 7. It is proposed that the Community Safety Plan will follow the same format as the Partnership Strategic Assessment but will contain more detail on actions, ownership and targets. This plan will be updated yearly and we will consider new issues coming out of our Face the People sessions, Neighbourhood Policing and the Strategic Assessment process. Having an Emerging Issues priority will enable us to incorporate changing trends and add focus where needed.
4. Members are asked to consider whether our second Partnership Strategic Assessment should be produced on an annual basis alongside of the Police Strategic Intelligence Assessment linking in to their production cycle and whether it should be one partnership document or two separate pieces of work.
5. The Partnership Strategic Assessment and a draft of the Community Safety Plan will be brought to our next meeting on the 29 January 2008.
6. Members are asked to consider the issues at point 4:
  - a) Should we produce our second Partnership Strategic Assessment in line with the cycle set for the Police Strategic Intelligence Assessment?
  - b) Should we have one shared Partnership document?

Community Safety Manager  
9 November 2007

## **PARTNERSHIP STRATEGIC INTELLIGENCE ASSESSMENT**

Pages 1 - 3

### **Introduction**

Review of Community Safety Plan 2005/08 – Summary of the Annual Report produced in Stockton News in the summer of 2007

### **Context ;**

Linkage to Audit 2007, Police Strategic Intelligence Assessment, Neighbourhood Policing priorities.

### **Data sources**

Police, Fire Council stats  
Analysis of Audit responses by ward, gender, age, disability and race  
Neighbourhood Policing Priorities  
North Tees Women's Aid  
Acute Trust  
DAT  
Probation?

**Resident selected priorities: Two pages per priority except Violent Crime that will have three pages to incorporate Domestic Violence and Robbery/mugging**

Pages 3 / 4

## **ANTI SOCIAL BEHAVIOUR**

### **Victim Profile**

Include Fire Service being stoned  
F3 ASB Fires  
Complaints via FLARE  
Offensive Incident Reports profile

### **Offender Profile**

Breakdown of ASBO/ABC recipients  
Breakdown of AS 13 and warning letter recipients  
Pub Watch bannings profile

### **Location Profile**

Rank by ward of Police and ASB Stats

Pages 4 / 5

## **DRUG RELATED OFFENDING**

### **Victim Profile**

User profile i.e. number in treatment

### **Offender Profile**

Number so positive testings  
Cross over between user and dealer  
Type of offending  
KE/LW work done at Birchtree practice

### **Location Profile**

DAT to do a ward breakdown of home address of those in treatment?

**Pages 6 / 7**

## **VIOLENT CRIME/DOMESTIC VIOLENCE/ROBBERY & MUGGING**

### **Victim Profile**

By gender/age/ethnicity

### **Offender Profile**

By gender/age/ ethnicity

### **Location Profile**

Breakdown by ward

**Pages 9 / 10**

## **CRIMINAL DAMAGE**

### **Victim Profile**

Types of criminal damage i.e. damage to property or cars

### **Offender Profile**

Analysis of detections  
ASBOs for criminal damage

### **Location Profile**

Police and ASB Stats by ward

**Pages 11 / 12**

## **DIVERTING YOUNG PEOPLE FROM OFFENDING**

### **Victim Profile**

May need to identify data gaps  
Those live to Preventions Team

### **Offender Profile**

Those live to YOS and ASB Team i.e. on ABCs

### **Location Profile**

Map by ward?

**Pages 13 / 14**

## **EMERGING ISSUES – OTHER THEFT**

### **Victim Profile**

Shops and businesses  
Profile of mobile phone thefts?

### **Offender Profile**

Analysis of known offenders by age/gender  
Look at substance misuse issues.

### **Location Profile**

Map hot spot areas

**Pages 15 / 16**

## **SUMMARY AND ACTIONS**
