

## **LOCAL AREA AGREEMENT (LAA) UPDATE**

1. Attached to this report as Appendix A is the latest version of the list of national indicators to be included in the LAA, as at 17 April, showing four indicators under the 'Safer Communities' agenda, of which one 'belongs' to the DAT, rather than to this partnership.
2. Also attached, as Appendix B, is a list of suggestions for local indicators from consultative processes. Those of particular interest to this partnership have been marked with an asterisk, together with a comment in each case
