| 2. | <p>Partnership Strategic Assessment</p> <p>Discussed updated report from August 2008, with particular reference to gaps. IH to forward to MB and Jeff Huckins the Fire Brigade Strategic Assessment. MB to clarify issue re availability of address info for victims and offenders – is it an issue of access or of ‘retrievability’? (Later note: confirmed as being the latter)</p> | <p>IH</p> <p>MB</p> |
| 3. | <p>Integrated Offender Management Team</p> <p>Discussed latest position on increasing PPO team from current capacity of approx 40 offenders to deal with 100-150. Current policing strength down, as a result of unexpected improvements to pension scheme by Government, resulting in a wave of retirements earlier than predicted. Three cohorts currently in training, to become available for duty in November, January and March.</p> <p>AGREED to second a further police officer to the expanded team as soon as practicable, and by April 2009 at the latest.</p> | <p>DB</p> |
| 4. | <p>SSP Agenda</p> <p>Considered agenda for 4 November. Item 17, Force Planning Cycle may be delayed, due to current discussion of possible changes and for item 19, ‘Whatever it Takes’, IH will do a 10 minute Powerpoint presentation and aim to have slides/handouts available by Friday 24 October.</p> | <p>IH</p> |
