

TARGET MONITORING CHART

Other Targets Monitored by SSP

TARGET		Quarter 1		Quarter 2		Quarter 3		Quarter 4	
7.1	Number of deliberate (i) primary and (ii) secondary fires per 10,000 population. Using a baseline from a three year average 2004/07 of 93.5 per 10,000 population reduce by 11.6% 2008/09 = 87.9, 2009/10 = 84.8, 2010/11 = 81.9 Data From:- Fire Service Paula Gowland	406 deliberate fires recorded in Q1 which is a rate of 21.5 per 10,000 population on target to achieve!	😊	653 deliberate fires recorded YTD, this is a rate 34.3 per 10,000 population, still on target to achieve.	😊				
7.2	Maintain reductions in all crime, maintain our position to be below the newly configured MSCDRPs average for All Crime. Data From:- SBC Anna Clark	Stockton's crime rate was 23,448 in this quarter, slightly over the new MSCDRPs average of 23,359. This is the first quarter of the new average and this target can still be achieved.	😊	Stockton is currently 4th out of 15 MSCDRPs (Jul-Sept 08) and now significantly better than the group average.	😊				
7.3	Community Cohesion Target: Increase the use of Offensive Incident reporting forms sent to the ASB Teams. Data From:- SBC Dawn Tyerman	No forms were submitted during Quarter 1. Still time to achieve target	😐	No forms were submitted during Q2. However re-launch due in Nov 08, time to improve in future quarters.	😐				
7.4	Community Cohesion Target: Achieve the targets in Key Priority 1. Data From:- SBC Claire Sills	There are 6 targets in total 2 are Green, 3 not requiring updates in this quarter, 1 Amber which is for F3 deliberate fires still time to meet target .	😊	Out of the six targets 3 are green and 3 are not due updates.	😊				
7.5	Prevent older people from being victims of commercial crime in their own home. Develop a plan for roll out in line with OFT advice. Data From:- SBC Dave Kitching	Two trial 'No Cold Calling Zones' have been assessed, roll out of further zones once criteria for establishment of zone is finalised. The first training session Doorstoppers volunteer programme is booked for the 19th August for Neighbourhood Watch Co-coordinators.	😊	There is now a draft Protocol for the assessment of new applications and introduction of new zones, this will be circulated in the next couple of weeks. On target to achieve.	😊				
7.6	Improve the rating of older people (over 65) from a baseline of 7% who feel safe walking alone outside during the daytime by 2% during the lifetime of this Plan. Data From:- MORI Results	MORI Survey results not due until Oct 08		MORI Survey results due early November 2008.
