

Partnership Strategic Assessment Action Plan

1. Members will recall that at our meeting on the 3rd January 2009 we agreed to prepare an action plan and that it would be presented to the partnership quarterly to assess progress against the gaps that were identified.
2. The draft action plan is attached at Appendix A the Community Safety Analyst will be leading on this work.
3. Members are asked to consider the action plan, in particular where certain partners have been proposed to lead on activity and to provide any comments to Anna Clark following the meeting.
