

### **Application for Membership from the Corner House Youth Project**

1. I have been approached by Chris Coombs in his capacity as a trustee of the Corner House Youth Project (CHYP) requesting membership of the Safer Stockton Partnership on their behalf.
2. Our Constitution provides that:  
  
“Additional voting members may be invited to join the Partnership from time to time, subject to the inclusion of an appropriate item on the agenda, as circulated in advance of the meeting, and a simple majority of voting members in favour”.  
(item 4(i) refers)
3. It is understood that if this report is approved, CHYP will be represented by Jacky Duncan, the Project Director.
4. It is RECOMMENDED that the voting members of the Partnership take a decision on this request.
