- Bonfire Night a reduction of **33%** in Criminal Damage and ASB was reported.
- it is worth noting that last year we had a reduction of Criminal Damage was reduced by **63%** and ASB

After School Patrols

Aims:

- To tackle anti-social behaviour and disorder at school closing time and at transport interchanges
- To reassure young people and local communities in areas where crime and disturbances occur
- To work with schools, parents and the local community to identify and address the needs of individuals who cause disturbances

After School Patrols

Stockton on Tees ASP:

- Covers all secondary schools in the borough with particular attention focused on schools where intelligence suggests there may be trouble planned or may occur
- Patrols have been focussed to cover the last day of school in the summer which varies by a few days in the different areas and times of patrol were 3pm till 9pm
- Highlighted schools were visited by the local police, school liaison officer and ASB Team in the week leading up to last day of term

After School Patrols

- Contact was made with numerous young people in different forms from merely talking to them on the street to diverting them to other activities.
- Bluetooth technology has been used to engage young people in After School Patrols as well as SBA
- Crime and ASB over the summer and Halloween period was reduced significantly and the criminal damage projection for **2009/2010** is a **20%** reduction against a target of **5%**. This was largely due to the enhanced work from these operations.

Reparation in Leisure Time including Friday and Saturday
