## What is your role? (Info for Neighbourhood Officers)

This is part of my plan to get in touch with all children and young people across the Force area and relies on the enthusiasm, participation and support of all Neighbourhood Officers working within their designated ward.

Your role, as a Neighbourhood Officer is to help make this happen by:

- Making contact with all schools in your ward before the end of term
- Launch the competition with children and young people in your ward
- To support schools/ teachers/ individuals throughout the competition period by providing ideas, dates, rules and templates etc (all of which are in this pack)
- Providing advice and information on community and personal safety issues “**Keeping People Safe @ Christmas**”
- To co-ordinate entries from your ward and with the head teacher (or other representative from the school) judge entries for those designs to go onto the next stage
- To ensure Competition Co-ordinator, Lorraine Miller (contact details attached) is kept updated regarding schools contacted and entries received
- To ensure that all Entry Record Forms are accurately completed to accompany entries and ensure winning entries are sent to police headquarters for judging
- To ensure certificates are presented to each school that enters.

All dates, supporting information and a flowchart of the stages of the competition are enclosed in this briefing pack.

All Neighbourhood Chief Inspectors need to ensure updates are sent to the Competition Co-ordinator about which officers have contacted which schools. The Competition Co-ordinator can then circulate a weekly update to all Chief Inspectors and the Art of Safety working group members.

Your contribution to this project will make a positive impact in promoting both this competition and Neighbourhood Policing.

Thank you,

**Sean Price**  
**Chief Constable**

## Introduction (Info for children & young people)

Cleveland Police is running a competition! Over the next few months you will see officers like us visiting your school or walking within your community.

This is an art competition. We want the children & young people of Cleveland to create a piece of artwork that will promote **“Keeping People Safe @ Christmas”**

Anyone between the ages of 5 and 14 years of age can enter, and your entry might be used as the Force’s Christmas card. Your finished picture will be seen across the whole of Cleveland, this includes Redcar & Cleveland, Middlesbrough, Stockton and Hartlepool!

Here are the three age groups:

Key stage 1 Age 5 – 7 years of age

Key stage 2 Age 8 – 11 years of age

Key stage 3 Age 12 – 14 years of age

Last year's Internal  
Launch

## Ideas (Info for children & young people)

To be in with a chance of winning the art competition, think carefully about what the artwork that you are creating will show, and who will see it. The title of the competition is **"Keeping People Safe @ Christmas"**. How could you show this in your art work?

Your picture should show how to keep people safe within Cleveland; make you feel proud to be a part of your local area and your community. Think about what makes people feel unsafe, such as crime, drug use and especially anti-social behaviour. How would your picture encourage people to keep others safe at Christmas?

Remember! You can always approach your Neighbourhood Police Officers and Police Community Support officers for help and advice. We will be visiting your school to see how you are doing, so don't be afraid to say hello!

Create a picture that would make you and your community feel safe!
