		<b>ACTION</b>
1.	<p><b><u>SSP draft agenda 15 February 2011</u></b></p> <p>May be feedback from DV Awayday, if available in time.            On CPA Savings Plan item, need to get clarification of position on BCU Fund.</p>	MB
2.	<p><b><u>Impact of Comprehensive Spending Review etc</u></b></p> <p>Need clarity on BCU Fund, as above.            Still unclear what is happening on the allocation to SSP via SBC, or when we will be clear.            Proposal for changes in PCSO terms and conditions, not to start work before 10.00 a.m. and not to finish after 10.45 p.m. will save approx. £250k in a full year            Also, likely to be a reduction in PCSO numbers, from higher level of 55, but current actual of 47.5 to 46.5. When total confirmed, new deployment will be reported.</p>	DB
3.	<p><b><u>Tees-wide Reducing Reoffending Group 21 January 2011</u></b></p> <p>First meeting of new CCJB sub-group taking place on Friday, MB attending, Russell Bruce to chair.</p>
