4. DRUG RELATED OFFENDING ACTION PLAN

THEMATIC LEAD: Detective Ch Insp (Rob Donoghly)
ACTION POINT LEADS: RD – Rob Donoghby EC – Emma Champley JE – Jeff Evans

No	LEAD	ACTION	UPDATE
1	RD	<p>Carry out at least six drugs dog operations in 2011/12</p> <p>a) Reducing Supply Group to direct the locations and dates of operations</p>	<p>Operation Lumberjack delivered 9 Police Drugs operations involving the use of passive drugs dogs during 2011/12. The operations resulted in a number of referrals to treatment services in addition to numerous arrests / seizures of illegal drugs. The results are made available to the district licensing unit who work closely with Licensees and the Local Authority to improve the management of licensed premises. Stockton Police intend to run a similar operation in 2012 /13.</p>
2	JE	<p>Maintain our IOM approach for the most prolific of drug using repeat offenders.</p> <p>a) Reduce drug related repeat offending</p>	<p>Ongoing for PPOs and HCCs</p>
3	EC	<p>Increase housing opportunities for drug users by maintaining a range of support services.</p>	<p>Dedicated Enhanced Housing Option worker remains in place and the funding that the DAAT provides to Community Campus for the Get Moving Scheme will continue for 2012/13. A new scheme involving CAB is due to become operation in April which further extends the provision that is available to improve the housing situation of substance misusers. Work is on-going to ensure that pathways between the providers are robust.</p>
4	EC	<p>Increase employment opportunities for drug users by providing peer support to complement Job Centre support.</p>	<p>Since the start of the communities fund the providers have engaged with 3491 people and of these 179 had identified drug or alcohol misuse as a barrier to employment. There were 30 of these who subsequently entered into employment. The DAAT commissioned a piece of research to assess the job readiness of recovering drug users in Stockton and the results of this will be available in April. There have been 6 people who have took up short term volunteer placement opportunities within SBC and this arrangement will continue with other suitable candidates for the foreseeable future.</p>
5	EC	<p>Improve the transition from the young people's service to adult services and thereby reduce drop out.</p>	<p>Lynne Massam (Modernisation Manager for Young People's services) has now joined the DAAT. Both adult and young people's Treatment Plans set out activities to</p>

No	LEAD	ACTION	UPDATE
			target this process. A protocol has been identified to smooth this transition into adult services and this remains a priority.
6	EC	Increase the number of female drug users accessing and maintaining attendance at support services.	The women's advocacy workers have been working in close partnership with the women's support service "A Way Out" in order to develop closer links with sex workers as part of a multi agency initiative. They are also providing outreach support at various venues throughout the Borough including Hereford Terrace, Billingham, Pharmacy 365 and various hostels in the Hartington Road area. A six monthly update report is expected to be provided in May/June regarding the outcomes achieved by these advocacy workers.
7	EC	Use peer mentors to work in drug using communities as part of rehabilitation and support.	Peer mentor courses continue to be run via CRi in both the community and the Prisons (Holme House is underway with their first course and Kirklevington is to start their second Mid-May). Peer mentors have progressed into paid employment as Recovery Champions with CRi which is very positive. This continues to be developed within services so that individuals have the opportunity of support from a trained peer mentor.
8	EC	Increase the number of planned exits from treatment services.	The number of planned exits from drug treatment has risen from the baseline assessment of 43% (141 of 328 planned exits) in 2010/11 to 50% (96 out of 193) up to Quarter 3 2011/12 as Quarter 4 figures are not currently available.
9	EC	Encourage the development of Narcotics Anonymous in the Borough	There are now Recovery Groups running each day Monday to Friday within the Borough including NA which remains strong and runs on a Tuesday night. We have a group in Billingham, one in Thornaby and the others run at a variety of locations within the Town Centre. This is extremely positive as it provides the opportunity for people to access peer/fellowship support throughout the week (it is important to note though that these vary in content and not all are run on 12-step theme). There is also a 'creative' arts-based recovery group which is being piloted once a month for 3 months across all services with the first group to be held on the 27 th April.
