- 20 discharged
 - 7 of these were escalated to MARAC
 - 8 reduced calls to the police and were engaging with services
 - 3 moved from the area
 - 2 refused to engage with any of the Services offered from Agencies

Community Safety – DA Medium Repeats

Success

- A reduced number of calls being made to the police where the couples remain together
- Empowered to understand options and make informed choices
- Raising awareness of the help and support available

Challenge

- Number of calls to the police increased April-July 2015 (8%/ +107 incidents)
- Repeat incident rate has also increased to 46.4% from 37.1%
- Difficult to engage clients
- Changes in job roles and staff turnaround for attendance at meetings
- Consistency in the way cases are identified
