No.	Strategic Objective	Proposed Actions / Progress	Success Measures	Responsibility	Progress
<b>1</b>	<b>Managing the impact of serious and organised crime in Stockton on Tees</b>				
		Develop a Serious and Organised Crime profile as the foundation for disruption and targeted action against organised criminals and networks that operate the drugs market.	A clear problem profile product is produced for Stockton on Tees which clearly highlights the key issues contributing to SOC. The profile will call on intelligence and data held by all partner agencies.	Stockton Borough Council  Cleveland Police	
		Create a dedicated partnership Serious Organised Crime action plan to share information and identify opportunities for partnership disruption.	Use the problem profile created to develop a partnership action plan around tackling SOC using the MARSOC structure as an existing guide to completion.	Cleveland Police	
		Work with partners, Cleveland Police and the OPCC to tackle the problem of county lines and the exploitation of young people and vulnerable adults	Continued commitment to support the on going work around exploitation, with regular updates received by the partnership to ensure all is being done to combat the problem.	Cleveland Police	
		Support disruption and targeted action against the highest harm causing criminals and networks to disrupt and deter.	Continued commitment to support the existing approach to tackling serious and organised crime via the MARSOC and SOCLP structure.	Cleveland Police	
		Address vulnerability to radicalisation and people being drawn into terrorism through the delivery of a local Prevent Duty.	Continue to raise awareness of Prevent through dedicated delivered sessions.  Work with Counter Terror Policing NE to efficiently meet the aims and objectives set	Stockton on Tees Borough Council

<b>2</b>	<b>Serious violence</b>				
		Adopt a public health approach to tackling violence, through identifying and addressing underlying drivers of violence.	In line with the Cleveland approach, deliver a Stockton on Tees focused strategy aimed at reducing serious violence by addressing the causes, with a focus on early prevention.	Stockton on Tees Borough Council	
		Protection and ongoing support for children and young people at the highest risk of harm from Serious Organised Crime Groups.	We will identify young people at risk using a multi-agency approach and ensure relevant safeguarding is put in place alongside a wider action plan which will be delivered out on, using a multi-agency approach.	Stockton on Tees Borough Council Children Services	
		Disrupt and pursue those who pose a risk to children and young people.	In partnership with others and through effective use of the MACE model in place for Stockton and Hartlepool, provide timely and accurate data and intelligence to help target activity toward those who represent the greatest risk to exploiting young people for crime.	Stockton on Tees Borough Council Children Services	
		Support those who are repeat offenders of violence to address underlying needs and access to support, including health and mental health, education, employment and training, housing, and family needs.	Support the work of the Cleveland Reducing Reoffending Group in its attempts to address underlying reasons for repeat	Probation Services  Integrated Offender

<b>3</b>	<b>Vulnerability</b>				
		Review and improve the sharing of relevant intelligence and data between partners on the community safety partnership outside of the police and local authority.	The creation of a new information sharing agreement between partners that removes any barriers to data sharing across the partnership.	Stockton Borough Council  All partners	
		An increase in the number of reported incidents made to the police in relation to vulnerability offences, reflecting a community more confident to seek and receive support.	An increase in reports to agencies which will require an improvement in communication and awareness of reporting methods.	Cleveland Police  OPCC (CYC)	
		An increase in successful prosecutions through the court system.	An increase in the positive outcomes of cases taken through to the Court stage.	Cleveland Police	
No.	Strategic Objective	Proposed Actions / Progress	Success Measures	Responsibility	Progress
<b>4</b>	<b>Reduction of crime and disorder linked to drugs and alcohol</b>				
		Develop a programme of early intervention and prevention including communications and education campaigns in partnership with the Health and Wellbeing Board	Work closely with the Health and Wellbeing Board to better understand the support services currently in place and explore opportunities to promote services targeted at those most at need.	Stockton Public Health	
		Review available addition treatment services to ensure they are meeting the needs of those requiring support in Stockton on Tees	Understand the support services currently in place to address drug and alcohol abuse and explore the effectiveness in meeting the	Stockton Public Health

			needs of service users exploring ways of improving this offer across the partnership.		
		Work with licensing to effectively manage issues related to the night time economy, especially those impacting on women.	Co-opt a member of Stockton's Licencing Team onto the Partnership to offer support and expert advice with a view to reducing violent crime and disorder linked to licenced premises.	Stockton Borough Council Licencing Team	
		Reduce drug and alcohol related crime and anti-social behaviour through enforcement and regulatory activity.	An increase in resources to conduct targeted high visibility patrols in hotspot areas within our town centre environments.	Stockton Borough Council	

No.	Strategic Objective	Proposed Actions / Progress	Success Measures	Responsibility	Progress
<b>5</b>	<b>Reducing the offending rates of the most prolific offenders in Stockton on Tees</b>				
		Develop a local offender problem profile and a shared understanding of offender activity amongst partners.	Development of available information and intelligence surrounding those who commit high levels of volume offending, which can be shared with partners to better understand the overall picture and needs.	Cleveland Police	
		Improve engagement with repeat offenders to better understand their needs, with a view to commissioning and targeting services aimed at rehabilitation more accurately.	Understand the needs of the most prolific offenders in Stockton on Tees, with the aim of providing support which leads to reduce offending.	Public Health  OPCC (Reducing Reoffending Group)	

**ACTION PLAN: Community Safety Strategy 2022**

<b>6</b>	<b>Ani-social behaviour and feelings of safety</b>				
		Focus visible patrols in priority neighbourhoods where reports and intelligence of ASB is high and feelings of safety low.	Continue to build on the work started through Op. Impact and ensure high visibility patrols are undertaken in key hotspot locations in partnership with SBC.	Cleveland Police	
		Promote stronger community empowerment through engagement to identify and resolve neighbourhood issues in partnership with third sector organisations.	Increase the say that the community has on crime and ASB prevention activity through engagement and representation.	Catalyst	
		Robust use of all ASB enforcement powers to promote a reduction in ASB.	Undertake a review of the powers available to tackle anti-social behaviour to ensure they are being used in an effective way, learning from other areas where required.	Stockton on Tees Borough Council	
		Put in place a robust system where vulnerable victims and repeat perpetrators of ASB are monitored in a multi-agency setting.	Ensure that both repeat victims and repeat perpetrators of ASB are visible in a multi-agency setting and appropriate support and problem solving is in place.	Stockton on Tees Borough Council	

**ACTION PLAN: Community Safety Strategy 2022**

No.	Strategic Objective	Proposed Actions / Progress	Success Measures	Responsibility	Progress
		A partnership approach to tackling poor perceptions of anti-social behaviour and crime in Stockton on Tees through effective and efficient use of communication channels.	Develop a communication campaign to help reassure residents, including advertising the use of the community trigger.	Stockton on Tees Borough Council	
		Reduce the levels of deliberate F1 and F3 fires in the borough with the aim of reducing arson related ASB.	Continued support of the Cleveland Arson Reduction Strategy with dedicated activity focused on hot-spot areas for deliberate fire setting around Stockton on Tees.	Cleveland Fire Brigade
