The premises is located on the high street in Yarm town centre. The building is an end terrace, directly to one side and above is a florist and the other side is an alleyway leading to the back of the building. Next to the alley is a charity shop. In the high street there is a mix of commercial properties and some residence properties, directly near to this building is mostly commercial buildings. The premises is spread over one floor on the ground level with a front retail area of 302 square ft and a storage area at the back of 58 square ft where the toilet is located.

Continued from previous page...

Currently the premises has been used as a cafe and burger bar. The intended use of the property is as a wine shop, bar and deli/cafe serving continental taps. Sharing boards, small plates and tapas will be served alongside a rotating wine by the glass list to allow customers to try different wines in a relaxed, friendly atmosphere. We will be encouraging people to eat alongside drinking and provide free drinking water as well.

Traditional wine retail is limited as people cannot try it like in a clothing store and this is why we would like to be able to offer the wines in house as well. This breaks down the barrier allowing the customer to have a better experience and to learn more about the subject informing them rather than being solely for drinking purposes alone. Our designated Premise supervisor is highly trained via the WSET (Wine and Spirit Educational Trust) and will be taking the further qualification to teach WSET. This will allow us to be able to offer courses to customers so they can learn about wine in a safe environment.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

To promote all four licensing objectives we will:

Provided strong management and training to ensure all staff work together to meet and maintain the requirements of the premises license, paying particular attention to:

No selling alcohol to underage people

No drunk and/or disorderly behaviour on the property

Being vigilant in preventing the use of and/or sale of illegal drugs on the property

No violent and/or anti-social behaviour

No harm to children

As a licensed premises we understand that it is necessary to carry out specific functions, such as but not limited to, staff training and qualifications to operate with a purpose of promoting the licensing objectives.

Once full time staff have passed their probation period we will assist them in gaining relevant wine qualifications via WSET to give them both an extra skill set but more importantly to understand the industry and their social responsibility within their role. This understanding will lead to better care when working around the sales of alcohol.

A log book of training to be kept on the premises.

Further precautions will include:

A full operating schedule providing the hours of operation and the licensed activities during these hours.

The designated premise supervisor will provide thorough training to staff, to make or authorise the sale of alcohol to ensure staff are working to the licensing objectives.

- A digital Closed Circuit Television System (CCTV) will be installed and maintained in good working order and be correctly time and date stamped.

The system will incorporate sufficient built-in hard-drive capacity to suit the number of cameras installed, whilst complying with Data Protection legislation.

CCTV will be capable of providing pictures of evidential quality in all lighting conditions, particularly facial recognition.

Cameras will encompass all ingress and egress to the premises, outside areas and all areas where the sale/supply of alcohol occurs.

There will be a minimum of 31 days recording.

The system will record for 24 hours a day.

The system will incorporate a means of transferring images from the hard-drive to a format that can be played back on any desktop computer.

The Digital recorder will have the facility to be password protected to prevent unauthorised access, tampering, or deletion of images.

There will be at all times a member of staff who is trained in the use of the equipment and upon receipt of a request for footage from a governing body, such as Cleveland Police or any other Responsible Authority, be able to produce the footage within a reasonable time, e.g. 24hrs routine or less if urgently required for investigation of serious crime.

The system will incorporate sufficient built-in hard-drive capacity to suit the number of cameras installed, whilst complying with Data Protection legislation.

Clear "Challenge 25" information displayed to prevent the supply of alcohol to underage drinkers.

Free drinking water will be available and encouraged to drink alongside any alcoholic drinks purchased for consumption on the premises.

We will also be promoting eating alongside drinking to discourage binge drinking or reckless behaviour towards alcohol.

No irresponsible drink promotions will be offered.

We wish to focus on giving customers a chance to explore wine in a friendly, safe environment therefore all by the glass measures will be advertised in small 125ml measurements.

The premises shall only operate as a wine shop, bar and restaurant;

In which customers are shown to their table,

Where the supply of alcohol is predominantly by waiter or waitress service

Which provide food that is served and consumed at the table using non disposable crockery

Which do not provide any take away service of food or drink for immediate consumption

Which do not provide any take away service of food and drink after 23:00hours

- Training and qualifications will be provided to the staff to ensure they are amongst others, comfortable dealing with drunk or intoxicated people to manage a situation quickly and comfortably to prevent and crime or disorder.
- Retail shelves will be fitted with a security bar to deter people being able to grab and run. There will be CCTV covering all retail shelf areas and signs explaining this to customers.
- There will be adequate lighting in all areas to ensure there are no dimly lit spaces to discourage against theft.
- Holding daily staff briefings to improve working practices and so staff remain vigilant.
- Ejecting or refusing entry or to serve anyone who does not meet the admission standards or who is known to be violent or aggressive.
- A policy to manage overcrowding. We want customers and staff to have a pleasant time and do not wish for the place to be over busy. We will therefore keep to our maximum capacity to stop any conflict or violence from happening due to patrons being jostled etc.
- Mirrors will be used to make the space both brighter but also to help act as a deterrent against theft. On the long side opposite the retail shelves will have a long mirror. We will also install one behind the bar.

c) Public safety

Training will be provided to staff so they are aware of and work towards maintaining environmental health requirements. The business will maintain an incident book to record all instances where the staff deal with people who have been unruly, drunk, abusive, aggressive or have committed criminal acts or have had to call police for such incidents. This shall include the date and time of the incident, together with a description of the incident and whether the police were called/attended. The Designated Premise Supervisor/Store Manager/Business Owner will check and sign each page and the incident book will be made available to the Licensing Authority and/or Responsible Authorities upon request.

- Health and safety training will be available to all staff members so they are working towards promoting public safety at all times.

- Staff will make regular glass collecting trips to minimise risk of accidents.
- A fire detection device will be fitted and well maintained.
- Staff will be trained to understand the no smoking policy and to ensure patrons are correctly following this.

Last orders will be an hour before closing to allow customers to disperse over this time rather than all at once at the end of the night.

d) The prevention of public nuisance

Staff will be trained to manage customers to ensure they are behaving in an orderly and respectful manner so as not to cause a public nuisance.

We will have a clear and legible sign by the exit asking customers to leave in a quiet, polite and courteous manner with the respect of any nearby residents. Staff will also be trained to implement this.

Any deliveries will be carried out at such a time and in such a manner as to prevent nuisance and disturbance.

Customers will be asked not to stand around in the streets talking loudly so as not to disrupt any local residents.

Adequate waste disposal units will be provided for the customers use within the premises.

Outside tables not to be used past the hours of 21:00 to minimise noise disturbances.

All staff will be fully trained and the training must include the laws relating to the sale of alcohol to underage persons, persons buying on behalf of under 18s (proxy sales) , persons appearing to be under the influence of alcohol and also the operation of the associated 'Challenge 25' policy. Staff will receive refresher training at least every 6 months.

The business will maintain a refusals book to record all instances where the sale of alcohol has been refused. This shall include the date and time of the attempted sale, together with a description of the incident. The Designated Premise Supervisor/Store Manager/Business Owner will check and sign each page and the refusals book will be made available to the Licensing Authority and/or Responsible Authorities upon request.
