I am a Police Constable in the Cleveland Police presently posted to the Licensing unit at Middlesbrough Police office.

I have been in this department for the past 10 years and my duties include the monitoring of licensed premises.

It is my responsibility to ensure that all licensed premises including pubs, clubs, restaurants, takeaways and off licences are ran safely and efficiently as well as monitoring any crime and disorder that occurs at these premises.

If a premise is having problems I would advise on a course of action and would work with the licensee/DPS to help prevent and reduce any issues raised.

I am also involved with pubwatch which is a meeting held every 3 months by licensees and the Police role is to attend as invited guests and offer advice and assistance if requested.

This statement is in relation to the variation application received by Cleveland Police in respect of a premise by the name of the Regency Rooms situated at 28-29 Prince Regent Street, Stockton.

This premises has been known by several names previously, most notably, Cinzano

Bianco's.

The applicant for this variation is Mr Behnam Azadi who is the premises licence holder and Designated Premises Supervisor (DPS).

Mr Azadi has previously run premises in the Cleveland Police area.

He has been the DPS of the Mandale Hotel in Thornaby and was also DPS at Club Bongo in Middlesbrough for 1 year from 2011 to 2012.

During his time at the Bongo my counterparts in Middlesbrough licensing had some issues with Mr Azadi in providing CCTV when requested and also obstructing Police officers when they attempted to arrest someone from the Bongo.

These issues resulted in a meeting being held with Mr Azadi and officers from the licensing unit.

The variation is to amend the licensing hours for the sale of alcohol at the premises from its current 09:00hrs – 03:00hrs Monday – Sunday, to 09:00hrs – 04:00hrs with the opening hours being 09:00hrs – 04:30hrs Monday - Sunday.

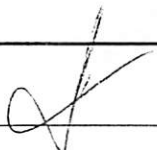

The provision of late night refreshment is also to be extended until 04:00hrs along with other licensable activities.

Stockton town centre has over 80 licensed premises consisting of Public Houses, Nightclubs, Restaurants as well as hot food takeaway premises and off licences.

There are only a small number of premises who have a 4am sale of alcohol and all of these with the exception of one premise, are situated at the southern end of the High Street near to the Regency rooms.

Stockton town centre does suffer with incidents of violent crime and anti social behaviour fuelled by persons in the night time economy area who have consumed alcohol in the various premises.

It has been designated as a 'Hot Spot' area by Cleveland Police due to the number of incidents reported.

In compiling this statement i have checked Cleveland Police's computer systems for incidents on Prince Regent Street and the surrounding area since June 2017 which have occurred during the night time economy hours.

There have been in excess of 100 incidents reported and whilst these incidents are not attributed to the Regency Rooms, I believe it gives a snapshot of what is happening in Stockton town centre.

Whilst I have not listed every incident reported, i will refer to a sample which will give an understanding of the issues faced by Cleveland Police whilst policing the night time economy.

Of this sample I have attached a list including the date and time of the incident along with a brief synopsis of the incident.

I exhibit this list as JRJ/1.

I will also refer to a number of incidents from this list in more detail within this statement.

At 02:28am on Monday 26<sup>th</sup> June 2017 a call was made to Cleveland Police from CCTV about a fight on Yarm Lane, Stockton.

Police arrested 4 persons from this incident and as can be seen from the event a Taser was drawn in order to gain compliance.

Police attended the scene and 2 males made off but after a short chase were detained nearby and arrested for assault and theft.

Event E231686 refers and I exhibit this as JRJ/16.

At 4:16am on Monday 1<sup>st</sup> January 2018 a call was made to Police about a disturbance at Regency West Mall. CCTV showed a male hit and kick a female and then empties the contents of a bottle on her head.

Police attended and a male was arrested on suspicion of assault and possession of a class B drug.

Event SE217 refers and I exhibit this as JRJ/17.

The applicant at the Regency Rooms has only been at the premises for a short time and his argument for the extension is that he is not getting customers in the premises until after midnight.

Unfortunately later opening hours have a knock on effect by allowing people to drink longer and this tends to lead to more incidents of violence and anti social behaviour.

As previously stated, Stockton Town centre suffers from numerous incidences of crime and disorder that take place at all hours of the day especially late evenings and early mornings.

Cleveland Police have only a limited number of resources to deal with these incidents as well as other incidents that take place throughout the rest of Stockton.

Allowing premises to carry on licensable activities which results in persons being allowed to consume alcohol for longer will have a significant impact on other residential areas by drawing resources away from these areas in order to prevent crime and disorder occurring in the town centre.

Stockton councils licensing policy states 'In non-residential areas new or variation applications for licences to allow the sale of alcohol or late night refreshment beyond 3am will normally be refused, subject to relevant representations being received'.

I believe that if this application is granted then more of the issues faced in the main 'night time economy' area of the High Street could occur in this vicinity which would have an impact on Policing and other resources.

I believe for these reasons this application should be refused.
