You need to complete the box below as fully as possible. If you do not the Licensing Authority may not be able to assess the relevance of your representation. Please continue on a separate sheet if necessary.

The grounds of the representation is based on the following:

(Try to be as specific as possible and give examples of any evidence you may have e.g. on 1 June I could hear loud music from the premises between 10pm and 1.am. I am concerned that if the premises open until after 2am this will cause a nuisance to me and other residents of the street)

I have no objection to the application in principal, however it would be helpful if the applicant would agree to the installation of waste bins for customers waste, this would help to keep the area tidy and free of litter, I think it would be beneficial to have security cameras installed on the street scene, to ensure that no anti social behavior takes place and to ensure law and order can be enforced.
