**RE: APPLICATION FOR A PREMISE LICENCE VARIATION**

**Re: 11 Redhill Road Stockton-On-Tees TS19 9BX**

Further to your recent correspondence concerning the above. I confirm that if the above application is successful, I am willing to accept that the following Conditions be attached to the Licence.

Conditions

1. Refuse, including bottles shall be disposed of from the premises between the hours of 07:00-18:00.
2. Use appropriate management controls to reduce the likelihood of customers causing noise disturbance to local residents when vacating the premises. This should include placing at all exits from the premises, in a place where they can be seen and easily read by the public, notices requiring customers to leave the premises and the area quietly. (Note, this may also include a reference to vehicles)
3. There shall be provided at the premises containers for the storage and disposal of waste foods and other refuse from the premises. Those containers shall be constructed, maintained, and located so that access to them by vermin and unauthorised persons is prevented and arrangements shall be made for the regular lawful disposal of their contents.

Dear Sir/Madam

**Licensing Act 2003**

**Re: 11 Redhill Road Stockton-On-Tees TS19 9BX**

I am in receipt of a completed copy of your application for a licence under the Licensing Act 2003 and as a designated 'Responsible Authority' I have considered the contents carefully.

I am of the view that your completed application form fails to adequately address some matters and I am presently considering recommending to the Licensing Authority that the following conditions be attached to your licence, to address these matters.

1. Refuse, including bottles shall be disposed of from the premises between the hours of 07:00-18:00.
2. Use appropriate management controls to reduce the likelihood of customers causing noise disturbance to local residents when vacating the premises. This should include placing at all exits from the premises, in a place where they can be seen and easily read by the public, notices requiring customers to leave the premises and the area quietly. (Note, this may also include a reference to vehicles)
3. There shall be provided at the premises containers for the storage and disposal of waste foods and other refuse from the premises. Those containers shall be constructed, maintained, and located so that access to them by vermin and unauthorised persons is prevented and arrangements shall be made for the regular lawful disposal of their contents.

If you are willing for the above conditions to be attached to your licence, should your application be successful, I would ask that you sign the enclosed acceptance form and return it to the above address, marked for my attention. If you fail to respond by this date or if you are unwilling to accept the attached conditions, it is likely that the matter will need to be resolved by the Council's Licensing Committee, by way of a hearing.

Yours faithfully
