REPORT TO THE STATUTORY LICENSING COMMITTEE

8 JUNE 2020

LICENSING ACT 2003 APPLICATION FOR REVIEW OF A PREMISE LICENCE CHE BAR, 94-95 HIGH STREET, STOCKTON-ON-TEES TS18 1BD

SUMMARY

The purpose of this report is for Members to consider an application for a review of a premise licence from Cleveland Police on the grounds of the prevention of crime and disorder and public safety.

RECOMMENDATION

That Members determine the application.

THE APPLICATION

1. An application for a review of the premise licence in respect of Che Bar, 94-95 High Street, Stockton-On-Tees has been received from Cleveland Police. The application to review the premises licence relates to the undermining of the licensing objectives of the prevention of crime and disorder and public safety. A copy of the application and supporting evidence is attached at Appendix 1.
2. A copy of the current premises licence showing licensable activities and hours is attached at Appendix 2.
3. A map showing the location of the premises is attached at Appendix 3

RESPONSIBLE AUTHORITIES

4. A representation on the grounds of the prevention of crime and disorder and public safety objectives has been received from Licensing which is attached at Appendix 4 together with supporting documents.
5. A representation on the grounds of the prevention of crime and disorder and public safety objectives has been received from Public Health which is attached at Appendix 5.

POLICY CONSIDERATION

6. Members must carry out their functions with a view to promoting the four licensing objectives:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm

7. Members are respectfully reminded of the need to give due consideration to Stockton Borough Councils Licensing Policy Statement and the Section 182 Revised Guidance issued April 2018 under the Licensing Act 2003 when considering this application for review.

Part 11 of the Guidance deals with 'Reviews' and at paragraph 11.18 it states:

".....However, where responsible authorities like the police and environmental health officers have already issued warnings requiring improvement – either orally or in writing – that have failed as part of their approach to concerns, licensing authorities should not merely repeat that approach and should take this into account when considering what further action is appropriate."

Paragraph 11.28 of the Guidance states:

"It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedure effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered."

8. A copy of the policy documents will be available at the meeting for Members information and details regarding the full range of powers available to members can be found at Paragraphs 11.16 to 11.28 of the Guidance.

MEMBERS OPTIONS

9. Members are advised that under the provisions of Section 51(4) The Licensing Act 2003 the authority may, at any time, reject any ground for review if it is satisfied –
 - (a) that the ground is not relevant to one or more of the licensing objectives, or
 - (b) in the case of an application made by a person other than a responsible authority, that-
 - (i) the ground is frivolous or vexatious, or
 - (ii) the ground is a repetition
10. If Members are not minded to reject the application, then under the provisions of Section 52(3) The Licensing Act 2003, the authority must, having regard to the application and any relevant representations take such steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the four licensing objectives.

The steps are –

- (a) to modify the conditions of the licence which could include reducing opening hours or requiring door supervisors at a particular time;
 - (b) to exclude a licensable activity from the scope of the licence;
 - (c) to remove the designated premise supervisor for example, because they consider that the problems are the result of poor management;
 - (d) to suspend the licence for a period not exceeding three months;
 - (e) to revoke the licence
- and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

Where the authority takes a step mentioned in (a) or (b), it may provide that the modification or exclusion is to have effect for only such period (not exceeding three months) as it may specify.

11. The Committee also have the option to leave the licence in its existing state.

Cleveland Police apply for a review of the premises Licence at Che Bar on Stockton High Street on grounds that it is undermining the Licensing objectives of the Prevention of Crime and Disorder and Public Safety.

Che Bar is located next door to Goldie's on Stockton High street and the two bars are operated by the same person, Mr Raffiq. Cleveland Police have also applied for a Review of the Premises Licence at Goldie's and the grounds and circumstances for that application are interlinked to this application.

The concerns relate primarily to the management and deployment of door staff at both premises and how this mismanagement has been at times unlawful and potentially contributed to crimes and incidents at these premises.

Che Bar has a licence with opening hours from 11am to 03:30am daily. Che Bar currently has a condition requiring 2 door staff from 9pm on Thursday to Sunday and 3 door staff from Midnight on these days.

Goldie's has a licence condition requiring a minimum of 3 door staff be present from 21:00hrs on Friday and Saturday nights along with Sundays before Bank Holidays.

Police became concerned that deficiencies in door staff numbers were being managed at both premises by deploying door staff from one venue to another as and when incidents of disorder occurred.

Police initially held meetings with Mr Raffiq about incidents of disorder at Goldies on 12th June 2018 and 19th February 2019. In March 2019 Mr Raffiq opened Che Bar next door to Goldies and much of the disorder at Goldie's calmed down but was replaced by concerns of disorder at Che Bar.

In August 2019 a man died at Che Bar after falling ill inside the premises and the circumstances of his death are pending an Inquest. Meetings were held with Mr Raffiq and his managers at the venue to discuss this and other incidents of disorder.

At that time Police and Council Officers became concerned about allegations that Mr Raffiq was employing a doorman without an SIA Licence. Mr Raffiq was spoken to about this on 3 specific occasions and at each time Police and Council Officers were told the man was a Personal Assistant to Mr Raffiq and not working as Door Security.

Police have reviewed CCTV footage for both Goldie's and Che Bar and have identified that the man identified as a Personal Assistant by Mr Raffiq is in actuality fact regularly conducting activities that would require an SIA door staff Licence. The illegal doorman can be seen on CCTV footage stood on the door of Che Bar dressed in black with the other door staff checking on customers entering and exiting the venue, dealing with disorder and checking IDs

On the 27th December 2019 an incident occurred inside Goldie's bar which resulted in the death of a male outside in the High Street. This matter is being investigated, however of note the CCTV footage shows the illegal doorman was working at Che Bar that night.

In summary there have been incidents of crime and disorder at Che Bar in 2019. Management of crime and disorder at late night venues relies heavily on the use of door staff. To be effective there must be strong policies and procedures in place to ensure that door staff are deployed lawfully and in sufficient numbers. This has not been the case at Che Bar and this has undermined the Licensing Objectives

Please provide as much information as possible to support the application. (Please read guidance note 2)

I am a Police Sergeant in Cleveland Police presently stationed at Middlesbrough Police station in the Licensing Support Unit. I have performed this role for over 16 years and during that time I have successfully completed the BIIAB level 2 National Certificate for Licensing Practitioners and the BIIAB level 2 course in the Assessment of Licensed Premises.

Cleveland Police have instigated Reviews of the Premises Licences at Goldies and Che Bar on Stockton high street. I have prepared a single statement as the premises are operated by the same person and the issues at the premises are interlinked.

Goldies Bar is located at 93 High Street, Stockton. The premises Licence holder and DPS is a man I know to be Paul Raffiq. He has operated the venue since August 2017. I have know Mr Raffiq as a bar operator for many years and he has lots of experience at operating bars in the Cleveland area.

Che Bar is located at 94 High street Stockton. The premises Licence Holder is a company by the name of Yarm Property Management Ltd of which Mr Paul Raffiq is the sole director. Mr Raffiq is also the Designated Premises Supervisor.

As detailed by PC Thorpe, Goldies has a licence to sell alcohol until 4am. Mr Raffiq employs a manager at Goldies bar responsible for the management of the venue.

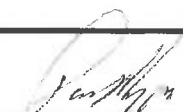

Due to various reasons including the challenging nature of operating a bar/nightclub until late on Stockton High Street, Cleveland Police have a long history of interactions with the various operators of Goldies bar going back many years before the involvement of Mr Raffiq.

The first noteworthy discussions around crime and disorder during the tenure of Mr Raffiq happened on 12th June 2018 when PC James Johnson from the Police Licensing Department met up with Mr Raffiq to discuss crimes. The meeting was held at Stockton Police station and Mr Raffiq brought the manager of Goldies with him. Although PC Johnson has now retired I can say from his records that they discussed an incident on the 26th May 2018 where an altercation had taken place between a doorman and a customer. Mr Raffiq stated that he would speak with the head of the door staff company about the door man's actions.

At 10am on the 19th February 2019 I was present at Stockton Police station when PC Johnson and I held a meeting with Mr Raffiq and the Goldies manager to discuss further crimes at the premises. We were concerned that his door staff provider had taken on doormen from a neighbouring premises which had removed those door men following a review of their premises licence.

Mr Raffiq was shown 2 clips of CCTV evidence of incidents involving Door staff being heavy handed. Mr Raffiq informed us that he was aware that this had been happening and had taken the decision to end his contract with that door staff provider as he was not happy with how their door men were behaving. Mr Raffiq told us that he was going to employ and deploy his own door staff, which he was legally able to do as he holds an SIA licence himself. We also discussed the price of drinks at the venue and were told that the cheapest pints were £3:50 and the cheapest bottles were £1:50.

Continuation of Statement of Paul Higgins

I can also say from PC Johnson's records that he spoke with Mr Raffiq after the Pubwatch meeting on the 7th March 2019. This was because of a promotion Mr Raffiq was advertising for the 8th of March where the first 30 people would get a free drink. Members of the Pubwatch were unhappy with this promotion especially as Mr Raffiq was the Chairman of the Stockton Pub Watch at that time. Mr Raffiq told PC Johnson that it was a one off event and was being paid for by the DJ to get people into his event.

In March 2019 Mr Raffiq started to operate Che Bar which had last operated as a Licensed premises under the name of McShane's

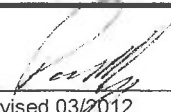

On the 25th August 2019 a male died after taking ill inside Che Bar. Staff had identified that the male was ill and called an ambulance but the man sadly died.

On the 27th August 2019 I attended a meeting at Che Bar which had been arranged by PC Thorpe to discuss the death of the man on the 25th August and some other incidents. Polly Edwards from Stockton Council Licensing dept was also present. Mr Raffiq was present along with his head doorman from Che Bar and the male manager of Goldies.

We discussed the incident involving the death of the man. I informed Mr Raffiq that there would be no formal licensing action taken with regard to this incident as his staff had identified the man's condition at the first opportunity and they had looked after the man whilst calling the ambulance.

We discussed door staff numbers and how they were managing people outside the venue particularly in relation to customers who were outside smoking cigarettes mingling with non customers. In relation to door staff numbers we expressed concerns that Che Bar and Goldies were being considered as one venue and door staff were being swapped between the venues to manage incidents. Mr Raffiq accepted that prior to the Bank Holiday Monday he had only had 2 door staff present at Goldies, one of whom was himself. This was a breach of the

condition on the premises licence.

I advised that both venues needed to be managed with sufficient door staff numbers that they would not need to call on the other venue's door staff. I also examined the door staff signing in book and expressed concern that the book contained entries that were not complete and did not specify the day the door man had signed in. There were very few records anyway as we were told the old records had been water damaged.

I requested that a new way of recording is introduced with a separate page/sheet for each individual day rather than a continuous log.

Polly Edwards asked Mr Raffiq specifically about a complaint she had received that the venue was employing a door man without an SIA Licence. Mr Raffiq stated that he employed a man as a Personal Assistant who was usually stood with Mr Raffiq when he was at the venue but he was not acting as a doorman. Polly Edwards stated if this male is not acting as a doorman he should not be dressed in black nor standing near the door.

Mr Raffiq agreed that changes needed to be made and agreed to implement minimum numbers of door staff at Che Bar reinforced by a Licensing Condition to be introduced by means of a Minor Variation which would be submitted by Mr Raffiq.

At 13:00 on Monday 2nd September 2019 I attended Che Bar with PC Thorpe and Polly Edwards for a second meeting with Mr Raffiq. Also present were the male manager of Goldies and the female manager of Che Bar. We discussed the potential new licensing conditions which Mr Raffiq was willing to submit on a minor variation. PC Thorpe showed CCTV footage of an incident on the 17th August 2019 which showed lots of people congregating outside of the Che Bar. This incident is event number SE19140993 and is listed on the table of incidents for Che Bar as number 17. We discussed the management of people in the smoking area and the use of barriers to manage people.

Continuation of Statement of Paul Higgins

PC Thorpe continued to have dialogue with Mr Raffiq until a full agreement on the wording of new licence conditions was submitted by Mr Raffiq on 22nd October 2019

At 03:22 on Friday 27th December 2019 an incident occurred at Goldies bar which ended with a male dying outside the venue. This incident is being investigated by Cleveland Police. Two men were arrested in connection with this incident. The 2 men arrested are both SIA registered door staff. At the time of the incident they were not on duty but had finished work at a nearby premises. Both men had previously worked as doormen for Mr Raffiq at Goldies Bar. Both men have been released under investigation and conclusions should not be drawn on the cause of death until the investigation is concluded.

I spoke with Mr Raffiq on the telephone that day and arranged for an Officer to collect the door staff register on behalf of the investigation team. PC Westmoreland seized the signing in book from Goldies the following day.

The book is an A4 style folder with a separate page for each day as I had requested at the meeting in August. The Book contains the old records which we were shown at the meeting on the 27th August 2019. There is a record for the week ending 25/8/19. This shows that on the Sunday of that week which was Sunday the 25th there were only 3 signatures in the record. One of these is Mr Raffiq, who possesses an SIA Licence, one of the others is a legitimate SIA door man and the third is the male manager of Goldies who does not possess an SIA Licence and has wrote "Awaiting badge" in the space for his licence number. This is what Mr Raffiq told us at the meeting on the 27th August. Because the 25th August 2019 was a Sunday before a Bank holiday he needed to have 3 SIA registered door staff on duty that night from 9pm onwards. I produce copies of those signing in sheets for the week ending 25th August as PH/1.

There is a further record for Saturday the 19th October 2019 which only has the name of 2 SIA door staff signed in. As this is a Saturday there should be 3 people signed in the book. I

produce a copy of this record as PH/2

There is a further record for Saturday 7th December 2019 which again only has 2 SIA door staff signed in, one of these is Paul Raffiq. This is another Saturday so there should be 3 signatures in the record. I produce this record as PH/3.

My department has been examining CCTV footage at both Goldies and Che Bar in relation to the allegation of the use of an illegal door man. The man has been identified and was pointed out to PC Thorpe and Polly Edwards by Mr Raffiq on his CCTV when they discussed incidents of crime and disorder on 26th September 2019. At this time Mr Raffiq again told them the male was his Personal Assistant.

We have since identified lots of footage where this man is clearly operating as a doorman at Che Bar and one occasion where the man appears to be covering the door at Goldies for a half hour period.

There are a number of photos of this man on the Goldies and Che Bar social media posts. He is always dressed in black and stood with other door staff. I produce a selection of these photos as PH/4.

Mr Raffiq has provided me with the name of this male and a check with immigration has revealed that the man does not have permission to work in the UK which explains why he does not possess an SIA Licence. I produce an email from Immigration Enforcement Officer Joanne Waller as PH/5

This statement (consisting of _____ page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

I am a serving police officer with Cleveland Police. I am currently stationed with the Licensing Support Unit at Middlesbrough Police HQ.

Part of my role as a licensing support officer is to monitor licensed premises within Hartlepool and Stockton districts ensuring that they are trading within the spirit of the four licensing objectives. We will ask that they will not have an adverse affect on the surrounding community or have a negative impact on Crime & Disorder, Public Safety or Public Nuisance objectives and will Prevent Harm to Children.

This statement is in relation to a request to review the licence of an on-licensed premise, Goldie's and Che bar both of which are situated High Street, Stockton Cleveland Police request this review as we believe Goldie's and Che bar have failed to uphold two of the licensing objectives, namely Preventing Crime and Disorder, Public Safety.

Goldie's and Che bar are situated on Stockton High Street, which is a busy thoroughfare

both during the day and on Friday and Saturday nights, especially at the core times of the Night Time Economy. The premises currently holds a Premise Licence for on and off sales of alcohol until 04:00 hours every day of the week. The closing time for the premises is half an hour after these times.

Both Premise Licences are held by Paul RAFFIQ who is also named as the Designated Premise Supervisor (DPS). The premise licence in its current form has been in place since 30th November 2017.

On the 27th December 2019 there was an incident at GOLDIES where by a male was ejected from the premises then later died. The two males who had ejected the deceased had previously worked as door supervisors at GOLDIES they are not believed to have been working on the night of the 27th December 2019.

On the 28th December I attended GOLDIES and spoke to Paul RAFIQ and the manager [REDACTED]. RAFIQ informed me that on the night of the 26th December 2019 leading into the 27th December 2019 he was at work in GOLDIES and that he was acting as a door supervisor and displaying his SIA badge he confirmed that there were three other door supervisors on duty that night one of which was called [REDACTED]. He also stated that the two males that had ejected the deceased on the 27th December 2019 had not worked for him for a couple of weeks.

RAFIQ went onto say that on 27th December 2019 while he was present at GOLDIES he noted that that his second premises, CHE BAR, which is situated next door to GOLDIES was busy and that the door staff at the premises needed more support. He sent door supervisor, [REDACTED],

to CHE BAR to assist staff there. This meant that there were now a total of three door supervisors on duty at GOLDIES on a busy Boxing Day night. Although this is not a breach of the licence it is not recommended that so few staff are on duty on such a busy night. RAFIQ also stated that he had left the venue prior to the incident on the 27th DECEMBER 2019 as a family member was unwell and he needed to care for them.

GOLDIES keep a signing in book which all door staff sign when commencing there shift. Whilst present at Goldies, I seized and retained this book I exhibit it as EEW/2

I have collated a table of incidents that occurred at Goldies over the last twelve months. I exhibit this as EEW/3.

I have collated a table of incidents that took place at Che bar over the last twelve months. I exhibit theses as EEW/4

Statement of Andrew THORPEAge if under 18 Over 18 (If over 18 insert "Over 18") Occupation Police Constable 0894

This statement (consisting of 11 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that if it is tendered in evidence I shall be liable to prosecution if I have wilfully stated anything in it, which I know to be false, or do not believe to be true.

Signature Andrew ThorpeDate: 02/01/2020Tick if witness evidence is visually recorded (supply witness details on rear)

I am a serving police officer with Cleveland Police. I am currently stationed with the Licensing Support Unit at Middlesbrough Police HQ.

Part of my role as a licensing support officer is to monitor licensed premises within Hartlepool and Stockton districts ensuring that they are trading within the spirit of the four licensing objectives. We will ask that they will not have an adverse affect on the surrounding community or have a negative impact on Crime & Disorder, Public Safety or Public Nuisance objectives and will Prevent Harm to Children.

This statement is in relation to a request to review the licence of an on-licensed premise, Goldie's, High Street, Stockton. Cleveland Police request this review as we believe Goldie's has failed to uphold two of the licensing objectives, namely Preventing Crime and Disorder, Public Safety.

Goldie's is situated on Stockton High Street, which is a busy thoroughfare both during the

day and on Friday and Saturday nights, especially at the core times of the Night Time Economy. The premise currently holds a Premise Licence for on and off sales of alcohol until 04:00 hours every day of the week. The closing time for the premise is half an hour after these times.

Goldie's Premise Licence is held by Paul Raffiq who is also named as the Designated Premise Supervisor (DPS). The premise licence in it's current form has been in place since 30th November 2017.

In the past 6 months we have had two meetings with Paul Raffiq regarding incidents at Goldie's as well as another premise Mr Raffiq is responsible for. And in two of the meetings door staff levels and the need to have licensed door staff only controlling the doors has been discussed at two of the meetings held over the past year as well as incidents which have occurred in and around the premise.

On Tuesday 27th August 2019 at 11:45 hours I had a meeting with Paul Raffiq, also Goldie's manager along with a member of Stockton Borough Council licensing team Polly Edwards (who arrived a little later) and Licensing Sergeant Paul Higgins. We discussed issues around the other premise, but we also discussed issues with door staff levels at Goldie's, how they are recorded and using the same company to cover both venues.

The door staff records did not differentiate between door staff for the two venues so it was impossible to tell what door supervisors were working at which venue and what time they

RESTRICTED (when complete)**CLEVELAND POLICE**Page No **3**Continuation of Statement of **Andrew THORPE**

had started. Some of the sheets were not dated, and some of the door staff details were incomplete. We gave advice that door staff records should be kept separately for both venues with sheets clearly dated, door staff details completed in full and times the door staff were working. These sheets should be kept safe and be available for any responsible authority to review should they request to do so.

Paul Raffiq also told us that on the previous Bank Holiday weekend he only had two door staff on the door to Goldie's as he was unable to source another member of door staff to cover. This was in contravention of his Premise Licence conditions and Paul Raffiq was told this and warned regarding having the correct number of door staff on his venues and that there could be serious consequences should this be breached again. The premise licence under the Annex 2 conditions clearly states:

“A minimum of three (3) SIA registered door staff must be on duty at the premises from 21.00 until closing on a Friday and Saturday night, and a Sunday before a Bank Holiday in order to control the entry of persons to the premises and to keep order in the premises.”

Polly Edwards also mentioned information received regarding a possible unlicensed member of door staff. Paul Raffiq stated he knew who we were talking about and that he wasn't door staff but was working for Paul privately not for the clubs and that he was his Personal Assistant. Paul was given advice that he should not have him stood at the door, that by having the male in all black at the doors that would make it appear that he was in fact door staff, and that if he was getting involved in issues normally dealt with by the door

RESTRICTED (when complete)**CLEVELAND POLICE**Page No **4**Continuation of Statement of **Andrew THORPE**

staff that this would also indicate that he was in fact acting as additional door staff. Paul stated he would take steps to rectify this.

A second meeting was held at Che Bar, High Street, Stockton on 2nd September 2019 with Polly EDWARDS, council Licensing officer and Paul Raffiq. We discussed variations to the Premises Licence for Che Bar which would clarify the door staff condition and sort out any outdated or duplicitous conditions. Mr Raffiq was happy with what we discussed.

Polly EDWARDS and I also visited Goldie's, High Street, Stockton on 26th September 2019 to speak to Mr Raffiq about the conditions he was looking to change in his proposed minor variation to the premise Licence for Che Bar. While we were there Mr Raffiq showed us the CCTV footage quality and the amount of footage held on the system. We also wanted to see if we could spot a male who we had information could be acting as an unlicensed door staff.

On the CCTV footage, we could see a large build, bald headed male dressed in black standing next to Paul Raffiq. Although he was not standing at the door it was clear why people thought he was an unlicensed door supervisor due to his manner and the way he was dressed. We did not see him carrying out any door staff duties while we were watching. Mr Raffiq told us this male was his personal assistant and was definitely NOT a member of the door staff and identified the male by a nick name. It was suggested to Mr Raffiq that the male should not dress in solely black to distinguish him from, the door staff and that the door staff wear a hi-visibility vest or similar to further distinguish them.

Another meeting was held at Middlesbrough Police Office on 10th December 2019 with Paul Raffiq (DPS/PLH) and the manager of Goldie's with a Stockton Borough Council Licensing officer, and PC Emma Westmoreland regarding incidents at both of Paul Raffiq's premises. We showed CCTV footage of an incident which occurred on the High Street where a patron from Che Bar, is attacked by a group of males who come from the Yarm Lane end of the High Street. Particular emphasis was given to the number of door staff they will be supplying for the Christmas and New Year period. Raffiq stated he had already implemented Hi-vis body wear to clearly identify the door staff, and that he would be looking to put more door staff on over the busy periods of the Christmas and New Year periods.

I have put together a compilation of Stockton Borough Council CCTV clips which show the unlicensed door supervisor working the doors at both Goldie's and Che Bar, for the most part without Paul Raffiq being present. I exhibit this DVD of CCTV clips as AJT/1

Along with PC2463 Westmoreland I have viewed the CCTV footage provided by Stockton Borough Council and we have between us produced tables as a synopsis to the video footage. I exhibit this as AJT/2 for the purposes of this hearing

We have tried to work with the premise and it's Premise Licence Holder and Designated Premise Supervisor Mr Paul Raffiq, but unfortunately the incidents have continued with one of the latest incidents being particularly serious. Reviews are always the last recourse of

(Please continue on a separate sheet if necessary)

Cleveland Police have applied for a review of the premises Licence at Che Bar on Stockton High Street.

This review is on the grounds that it is undermining the Licensing Objectives of the Prevention of Crime and Disorder and Public Safety.

The Police have their concerns in relation to the management and deployment of door staff at the premise.

During my own investigations into an allegation of unlicensed door supervisors at the premises Mr Raffiq deliberately misled Officers and joint meetings with myself and Cleveland Police failed to persuade Mr Raffiq to stop employing an unlicensed door supervisor and breaching his licence conditions under the Licensing Act 2003.

I share the Police concerns and support the review application as I believe the premise undermines the licensing objectives of the Prevention Of Crime And Disorder and Public Safety objectives. I have attached a statement in relation to my involvement with the premises.

I am employed by Stockton-on-Tees Borough Council as a Licensing Officer based within the Licensing Department located at Municipal Buildings, Church Road, Stockton-on-Tees.

I am responsible for the administration and enforcement of the Councils Miscellaneous Licensing functions, which includes the Licensing Act 2003 and ensuring compliance with the conditions imposed on the licence. I have been employed in this role for over 13 years.

On Friday 2 August 2019, I was contacted by a local licensee within the Borough advising me that the premises of Goldie's Bar, 93 High Street, Stockton-On-Tees (049336) and Che Bar, 94-95 High Street, Stockton-On-Tees (049459) were not compliant with their door supervisor condition as there were insufficient numbers as per their licence requirements.

Continuation Statement of Polly Edwards

Goldie's conditions state: *A minimum of three (3) SIA registered door staff must be on duty at the premises from 21.00 until closing on a Friday and Saturday night, and a Sunday before a Bank Holiday in order to control the entry of persons to the premises and to keep order in the premises.* I have produced a copy of the licence as Exhibit PED1.

Che Bar condition, at the time of our complaints and inspections stated: *A minimum of two SIA door supervisors shall be employed from 21.00 until close Thursday to Sunday inclusive up to 200 patrons plus one additional supervisor per 100 additional patrons thereafter.* I have produced a copy of this licence as Exhibit PED2.

Mr Paul Raffiq is the owner and Designated Premises Supervisor of both premises. I attended the premises on 2 August 2019, straight after this information was received. I attended with my colleague John Wynn, Licensing Officer. Mr Raffiq was at the premises when we arrived and I advised Mr Raffiq of the complaint and the licence conditions relating to the numbers of door supervisors required. He confirmed to me that he does have the right number of door supervisors. We discussed the Che Bar licence and the possibility of changing this by way of a variation. I advised him to have a discussion with Police Licensing initially.

I returned to my office and sent an email to Mr Raffiq to follow up on the visit that day, about the door supervisors and the discussion about a minor variation to the licence at Che Bar to update and improve the conditions imposed on the premises. Mr Raffiq did not reply to this email. I have produced a copy of my email as Exhibit PED3

I spoke with PC Johnson the following week and updated him on my visit and he informed me that Mr Raffiq has been told about this matter of his door staff numbers previously.

Continuation Statement of Polly Edwards

On Tuesday 13 August 2019, Ms Donna McCarthy, Licensing Assistant, received a phone call from another local licensee within the town centre. This licensee alleged that there were door supervisors working at Che Bar who are not registered with the Security Industry Authority and two of them should not be working in this country they advised one of the males was waiting for his immigration papers. The licensee was advised to contact Immigration to report this to them. After I received this information I shared it with the Immigration Intel unit for development.

On Tuesday 27 August 2019, I attended a meeting held at Che Bar, with Police Licensing and Mr Paul Raffiq. The meeting was to discuss the death of male over the previous weekend, at Che Bar. It was noted that there was insufficient numbers of Door Supervisors, as per the licence conditions, at Goldies. There should be a minimum of 3 SIA door staff on duty at the premises from 21.00 until closing as it was a Sunday before a Bank Holiday. We were advised that Mr Raffiq and Les were the two working, they advised Kevin was working but Kevin was not, at that time, an SIA registered door supervisor and therefore cannot be counted in to their numbers.

At this meeting I also raised the matter that was reported to us on 13 August 2019 that there was allegedly illegal workers working in his premises. I asked Mr Raffiq if he checks employees Right to Work documents. Mr Raffiq advised all his door supervisors were registered.

On Monday 2 September 2019, I attended another meeting with Police Licensing and Mr Raffiq, this was to discuss the licence at the premises and the proposed variation. The meeting was held in Che Bar.

Continuation Statement of Polly Edwards

A further meeting was arranged, by PC Andrew Thorpe so we could finalise the proposed conditions for the minor variation with Mr Raffiq. This meeting took place on Thursday 26 September 2019. PC Thorpe and I met with Mr Raffiq about the minor variation for Che Bar. We met at Goldie's and while there we viewed the CCTV to identify the quality of the footage, the duration it records for and to see the male who had been identified as the unlicensed door supervisor.

On this CCTV footage, the male who had been identified as the unlicensed door supervisor was visible outside Che Bar with Mr Raffiq. Mr Raffiq advised this was Isa, his Personal Assistant. Isa was dressed in all black and is of a large stocky muscular build. I advised Mr Raffiq at this time that perhaps this is why he is getting complaints as it does appear this male is acting as a door person. Mr Raffiq advised me that this is not the case and I then suggested he request Isa does not wear all black, or that he differentiate the door supervisors by way of a high visibility vest or something similar.

At the time of this visit we also spoke to Mr Raffiq about other information that had been received, claiming that someone who is 17 had been served an alcoholic drink in Goldie's and bar staff had advised 'it is ok as she works here'. We met with the female who advised she had not had an alcoholic drink on the premises.

On Friday 27 September 2019, John Wynn and I attended both premises during the evening, after the door supervisors started their duty. Mr Raffiq was outside and the door supervisors were working. We checked the correct number of door supervisors were present and they all had their valid SIA badges on display. We also checked the new signing in sheets for the door supervisors for that week and the previous week.

Isa was there during this visit and we spoke with him. He confirmed to me that he is not a door person and is not acting as such. Mr Raffiq also confirmed this. I explained again about the visual impact to others of how the presence of Isa is coming across and they confirmed he does not act as a door person.

The minor variation paperwork was submitted on Tuesday 22 October and was processed and issued.

During late night enforcement duties on Friday 15 November 2019, John Wynn and I attended Goldie's and Che Bar to speak to Mr Raffiq. His Manageress, Beth, from Che Bar went to get him as he was in the office in Goldie's. Mr Raffiq came outside where we were and his new door supervisor team were in place.

The new Door Supervisor Manager, Neal Jackson, was there and we had discussions about how he is now running the doors in a more improved manner. There was also discussion about the door supervisors now having the black jackets with the high visibility strips on them to differentiate from non-door supervisors.

On Tuesday 10 December 2019, I attended Middlesbrough Police Station for a meeting with Mr Raffiq and Police Licensing to discuss recent events at the premises and to offer advice about the upcoming holiday season and ensuring his compliance with all his conditions. At the meeting Mr Raffiq brought his Managers from Goldie's and Che Bar and Police Licensing showed Mr Raffiq a number of incidents they had from CCTV and raised their concerns over the coming festivities.

On Friday 27 December 2019, I received an email from Sgt Higgins, advising the Licensing Department that someone had died at Goldie's in the early hours of that day. I requested the footage from our CCTV and advised my Team Leader and Manager.

Paul

As discussed when I came down to remind you about your conditions for door staff we discussed a minor variation on the che bar licence.

I have commented below what I would consider appropriate. You need to look at the condition about no drinks outside. If you wish to have people drinking outside then this would probably be a full variation as you are increasing the licensed area.

I have copied PC Johnson in for his comments too, it could be possible the amendment to the SIA is not covered under a minor and would also be classed as a full. You do not need to do two if a full is required then it can all be done under the full.

I have put all your conditions down below and comments and highlighted where appropriate.

Do not submit the minor variation without discussing with us or Police. Jimmy and I would be happy to come for a visit.

PREVENTION OF CRIME & DISORDER

The premises shall be fitted with internal and external digital colour CCTV. The discs to be kept a minimum of 28 days and made available to the Police on request. - REMOVE

CCTV equipment shall be maintained in good working order in accordance with the manufacturer's instructions. - REMOVE

The CCTV system shall operate during all hours of trading. REMOVE

REPLACE WITH

A digital Closed Circuit Television system (CCTV) will be installed and maintained in good working order and be correctly time and date stamped. The system will incorporate sufficient built-in hard-drive capacity to suit the number of cameras installed, whilst complying with data protection legislation. CCTV will be capable of providing pictures of evidential quality in all lighting conditions, particularly facial recognition. Cameras will encompass all ingress and egress to the premises, outside areas and all areas where the sale/supply of alcohol occurs. There will be a minimum of 31 days recording. The system will record for 24 hours a day. The system will incorporate a means of transferring images from the hard-drive to a format that can be played back on any desktop computer. The digital recorder will have the facility to be password protected to prevent unauthorised access, tampering, or deletion of images. There will be at all times a member of staff on duty who is trained in the use of the equipment and upon receipt of a request for footage from a governing body, such as Cleveland Police or any other Responsible

Authority, be able to produce the footage within a reasonable time, e.g. 24hrs routine or less if urgently required for investigation of serious crime.

Ensure sight of evidence of age from any person appearing to those engaged in selling or supplying alcohol to be under the age of 18 and who is attempting to buy alcohol.

ADD

A "Challenge 25" policy will be implemented with all staff insisting on evidence of age from any person appearing to be under 25 years of age and who is attempting to buy alcohol. There shall be sufficient public notices displayed at the premise to inform customers and remind staff that the premise is operating a "Challenge 25" policy.

The licence holder and/or the Designated Premises Supervisor or a person nominated by them shall actively participate and be a member of a Pubwatch scheme for the area within which the premises is located.

A drugs policy shall be provided for the premises and a copy given to the Police and a secure drugs safe shall be maintained and emptied regularly. – **DO YOU HAVE ONE**

A minimum of two SIA door supervisors shall be employed from 21.00 until close Thursday to Sunday inclusive up to 200 patrons plus one additional supervisor per 100 additional patrons thereafter. – **REMOVE**

REPLACE

A minimum of three (3) SIA registered door staff must be on duty at the premises from 21.00 until closing on a Friday and Saturday night, and a Sunday before a Bank Holiday in order to control the entry of persons to the premises and to keep order in the premises.

The venue will only accept photographic driving licence, passport or in agreement with the Police a form of identification with the PASS hologram.

Drinking glasses shall be made of strengthened glass (tempered glassware) or of a material that in the event of breakage will fragment with no sharp edges remaining. (Note: Weights and Measures legislation may require the use of "stamped glasses" when "meter-measuring" equipment is not in use).

No drink shall be removed from the premises in an unsealed container.

THIS CONDITION PROHIBITS THE TAKING OF DRINKS OFF THE LICENCED PREMISES – IF YOU WISH TO ADD THE AREA AT THE FRONT THIS WOULD BE A FULL VARIATION.

An incident book shall be maintained at the premises.

Any person who appears to be intoxicated or behaving disorderly will not be allowed entry to the venue. Any person within the venue who appears to be intoxicated or who is behaving disorderly shall be given care and consideration in leaving the venue.

Secure bottle bins shall be installed in the premises. – **DO YOU HAVE THESE?**

PUBLIC SAFETY

Free drinking water shall be available to customers at all times when the premises are open to the public.

The maximum permitted occupancy level shall be 400 persons

AT FULL CAPACITY YOU WOULD REQUIRE 4 SIA STAFF WORKING PURELY THE SECURITY, NOT BETWEEN BAR AND DOORS.

PREVENTION OF PUBLIC NUISANCE

The licence holder or his representative shall conduct periodic assessments of the noise coming from the premises when used for regulated entertainment and shall take steps to reduce the level of noise where it is likely to cause a disturbance to local residents. A written record shall be made of those assessments and shall include, the time and date of the checks, the person making them and the results including any remedial action. All records shall be retained for one year

Use appropriate management controls to reduce the likelihood of customers causing noise disturbance to local residents when vacating the premises. This should include placing at all exits from the premises, in a place where they can be seen and easily read by the public, notices requiring customers to leave the premises and the area quietly. (Note, this may also include a reference to vehicles)

Any queue to the premises shall be monitored by door supervisors and any person who is causing a nuisance or who appears intoxicated shall be asked to leave the queue and shall not be allowed into the premises.

PROTECTION OF CHILDREN FROM HARM

No person under the age of 18 years shall be permitted on the premises when they are being used for the purposes of the supply of alcohol and/or the provision of regulated entertainment. – **ARE YOU COMPLIANT WITH THIS?**

(Please continue on a separate sheet if necessary)

The Public Health approach to reducing alcohol harm is to encourage and promote responsible drinking and to protect public and children from harm; fundamentally the Public Health approach supports all aspects of promoting the licensing objectives; particularly their link to protecting the health of the Borough and local communities.

Public Health has considered and fully supports the application provided by Cleveland Police to review the premises license at both Che Bar/Goldies Bar, based on the significant, recent and recurring evidence presented for alcohol related harm at both premises.

The current license for Goldies Bar allows for alcohol sales beyond 3am, with Che Bar's license allowing alcohol sales till 3am.

Therefore, the current license at Goldies conflicts with point 134 of the Local Authority's Statement of Licensing Policy (SLP) regarding licensing hours for sale of alcohol as highlighted below:

Point 134: In non-residential areas new or variation applications for licences to allow the sale of alcohol or the supply of late night refreshment beyond 3.00am will normally be refused, subject to relevant representations being received.

The above statement is based on local evidence outlining that allowing the sale of alcohol beyond 3am would not be appropriate in Stockton-on-Tees, particularly as the borough is ranked 15th nationally for binge drinking. Binge drinking and drinking excessively is linked to high levels of alcohol related harm for the individual and the wider community. A recent survey identified that of those residents who drink, Stockton-on-Tees-residents are more likely to drink heavily when they do drink than is the North East average – 26% of people admitted to drinking 10 or more standard drinks when they did drink.

There are many factors that contribute to why adults engage in problematic alcohol consumption such as binge drinking, one of these factors is vertical drinking establishments. Having considered the nature of both premises, Public Health concludes that, in line with point 119 of the SLP that they both operate as vertical drinking establishments. These premises are identified as a particular cause of problematic consumption by the Institute of Alcohol Studies (IAS), which collates evidence about features of the night-time economy that are identified as causes of excessive or problematic alcohol consumption. The IAS describes vertical drinking establishments as those where drinking is an 'end in itself'.

Although the sale of alcohol at Che Bar currently meets the SLP conditions identified above, evidence shows that provision of alcohol up to 3am increases the likelihood of provision of alcohol to individuals who are already drunk allowing for excessive and/or prolonged drinking periods among customers. This increases the likelihood of associated risks and negative outcomes. The sale of alcohol till 3am is also not aligned with what residents felt were appropriate hours of alcohol sales, as highlighted in a survey by the regional alcohol office (Balance) where only 13% of people surveyed within Stockton-on-Tees felt alcohol being sold later than 1am was appropriate. Prolonged and excessive drinking is not conducive to making responsible decisions and the evidence presented by Cleveland Police confirms that this has led to preventable harm to patrons of both premises.

Alcohol can also lower a person's inhibitions, increase risk taking behaviour and impair judgement & decision making processes, which is a cause for concern when considering the availability of cheap drinks deals and offers at the premises. Evidence shows this can further increase the likelihood of such risks outlined above occurring and can be reasonably assumed to be a contributory factor regarding the incidents that have taken place, especially when combined with late alcohol sales.

Regarding Points 28 & 29 of the (SLP) which refer to the Crime Survey for England and Wales (Office for National Statistics in 2014), the survey highlights a strong link between alcohol and violence. It reports 53% of all violent incidents being alcohol related, 36% of domestic violence incidents were alcohol related, and of the violent incidents reported between 10.00pm and 6.00am, over 80% involved alcohol. Evidence shows that even a minimal increase in hours of alcohol sales has a significant impact on levels of crime and disorder and subsequently the need for additional enforcement which has wider implications on public safety – which is clearly evident when considering the incidents that have taken place at the premises.

A recent study from Balance also linked the increasing availability to an increase in physical assaults associated with alcohol consumption. This evidence is wholly relevant when considered locally, as within Stockton Borough there is a rate of 3.53 alcohol related violent crimes per 1,000 people per year, which is higher than the regional rate of 2.84 per year. In addition, there is evidence that repeat incidences of domestic abuse are high in Stockton-on-Tees (Stockton-on-Tees Domestic Abuse Strategy).

It is also crucial to acknowledge that the ward in which Goldies Bar/Che Bar is situated (Stockton Town Centre) is ranked worst in the Borough for all of the following datasets. This provides further cause for concern around the issues highlighted above regarding excessive levels of alcohol

consumption and associated alcohol related harm, crime and disorder.

- Outlet density
- Hospital stays for alcohol related harm
- All crime under the influence of alcohol
- Violent crime under the influence of alcohol
- Admissions wholly attributable to alcohol
- Admissions partially attributable to alcohol
- Hospital admissions for self harm
- Rates of reported domestic abuse

In context of the evidence, local alcohol related harm and current issues at Goldies/Che Bar outlined in statements provided by Cleveland Police - Public Health feels that both premises undermine the SLP licensing objectives of Public Safety, Crime and Disorder and Public Nuisance.

Therefore, Public Health supports the application for a review to the premises license and recommends conditions be put in place to mitigate the potential for further alcohol related harm to take place at both premises. In particular, we would support implementing a reduction in the hours of alcohol sales and a Minimum Unit Price (MUP) condition to reduce the availability of cheap alcohol to already intoxicated individuals, subsequently lowering the risk of further alcohol related harm, crime and disorder.
