This statement (consisting of **7** page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that if it is tendered in evidence I shall be liable to prosecution if I have wilfully stated anything in it, which I know to be false, or do not believe to be true.

Signature **Andrew Thorpe**Date: **16/10/2020**Tick if witness evidence is visually recorded (supply witness details on rear)

This statement is further to my statement of 19th August 2020 and it is submitted as an amplification of what has already been put forward in the previous statement.

Since the last statement we have had a further three complaints regarding the premise on the 29th August 2020, 11th September 2020 and 30th September 2020 (for the previous night). All have been complaints around Covid19 restrictions and/or noise issues. I have included copies of these incidents for inclusion in the review pack.

I have also spoken to the legal representative and area manager for Star Pub Co. on Thursday 24th September 2020 at 09:00 hours. As the owners of the premise and the managers of the current tenant Mr Cooke they were keen to know the problems at the premise. They were eager to assure that there had been no previous problems with Mr Cooke and that they had no issue with him being the licence holder at the premise and that he was good commercially for him and had been successful at the premises he had been in charge of historically.
