Dear Sir/Madam

**Licensing Act 2003**  
**Re: 48 Durham Road, Stockton-On-Tees, TS19 0BS**

I am in receipt of a completed copy of your application for a licence under the Licensing Act 2003 and as a designated 'Responsible Authority' I have considered the contents carefully.

I am of the view that your completed application form fails to adequately address some matters and I am presently considering recommending to the Licensing Authority that the following conditions be attached to your licence, to address these matters.

1. No vehicles should service the address in association with any business activity outside of the hours of 08:00hrs- 21:00hrs.
2. Refuse, including bottles shall be disposed of from the premises between the hours of 08:00hrs- 18:00hrs
3. There shall be provided at the premises containers for the storage and disposal of waste foods and other refuse from the premises. All waste associated with the business shall be placed in these containers. The containers shall be constructed, maintained, and located so that access to them by vermin and unauthorised persons is prevented and arrangements shall be made for the regular lawful disposal of their contents.

If you are willing for the above conditions to be attached to your licence, should your application be successful, I would ask that you sign the enclosed acceptance form and return it to the above address, marked for my attention, before 25<sup>th</sup> February 2021.

If you fail to respond by this date or if you are unwilling to accept the attached conditions, it is likely that the matter will need to be resolved by the Council's Licensing Committee, by way of a hearing.

Yours faithfully
