(Please continue on a separate sheet if necessary)

This additional representation is in additional to my previous representations dated 15th July 2022.

On 18th July 2022 I have been advised that the applicant may wish to amend the submitted application and remove the part of the application which advises that table service will be provided.

I have concerns with this and feel that the removal of this condition may increase noise levels and encourage customers to gather in larger groups away from the tables which may result in increased noise levels.

I would encourage table service for the external area to be a requirement of this application.
