Hi Kirsty,

Thanks for your email.

I would like to confirm that I object completely to the live music aspect of the licence for the reasons discussed on my application.

Although a separate issue, the applicants have not complied with a number of aspects of planning and we see no reason why they would comply with any provisions you impose in relation to the licence.

Furthermore we will hear live music from our property and garden and it is completely unreasonable to expect us to accept this.

Kind regards,
Lucy Gowland

Hi

I have received your representation with regards to Ingleby Café and Bistro. I have attached the conditions agreed by Police and Environmental Health with the applicant.

Also after speaking with the applicant they have confirmed that any music won't be amplified as well as finished by 10pm. It is not their intention to have live music every week, it would be as and when they may have events on.

I hope the above and attached conditions satisfy your concerns with regard to the application. Can you confirm whether you want your representation to be withdrawn?

Kind Regards

Kirsty Wannop
