

**Tees Valley Joint Health
Scrutiny Committee**

11 December 2018

Tees and Darlington Suicide Prevention Plans

Summary

The Committee has previously received updates on sub-regional work to prevent suicide. An update on this work in the Tees Valley has been arranged for this meeting.

Members will also receive information from Public Health England in order to provide the regional context.

Recommendation

The Committee is requested to consider the information provided, and also agree whether and how future updates should be provided.

Detail

1. Representatives of Public Health England will be in attendance in order to provide an overview of region-wide work on suicide prevention.
2. Representatives of Darlington Public Health Team, and the Tees Suicide Prevention Taskforce will be in attendance to provide an update on this work. Information is attached at Appendix 1 - 3.
3. The Centre for Public Scrutiny as recently published guidance on the scrutiny of suicide prevention work, in conjunction with the Local Government Association and Association of Directors of Public Health. This is attached at Appendix 4.
