HWB/55/23 Evacuation Procedure

The evacuation procedure was noted.

HWB/56/23 Declarations of interest

There were no declarations of interest.

HWB/57/23 Minutes

To approve the minutes of the last meeting held on 29th November 2023.

RESOLVED that the minutes be confirmed as a correct record and signed by the Chair.

HWB/58/23 Health Protection Winter Planning Update

Members were presented with a Health Protection Winter Planning Update presentation. The update covered acute respiratory illness, Covid-19 and flu, vaccinations, other communicable diseases, outbreaks, completed actions and next steps.

Acute respiratory illnesses were shown to have decreased inline with the baseline figures for the Northeast since moving into January 2024. Covid-19 positive results were shown to be 7.86% in the Northeast, which was a decrease from the previous weeks 10.14%. Officers highlighted in the presentation that hospital admissions had increased but were lower than the same time the previous year, also noted was the number of deaths in England which had risen but were still relatively low.

Officers highlighted to members that over 38,500 Covid vaccines had been administered as part of the Autumn booster programme. With the average uptake

across the Borough being 48.9% for those eligible. Care Homes had a higher level of uptake at 77.3%.

Also highlighted to Members was the uptake in Flu vaccines administered, which were 47.1% for those eligible. Flu in Stockton -On -Tees was shown as having increased from 5.52% the previous week to 8.21%.

Members AGREED to note the report.

HWB/59/23 Joint Strategic Needs Assessment Update

Members were given an update from Officers on the Joint Strategic Needs Assessment (JSNA). Officers gave a brief overview of the purpose of the JSNA, it provides an overview of current and future health and well-being needs of a local population.

The key areas and topics that the JSNA focus on needed to be updated and how they are approached to be revised following Covid. Offices and Members acknowledged that by focusing on few topics a more focused approach can be achieved, while a continued focus on inequality and on themes/pathways/communities where appropriate.

In the report proposed processes were presented to members, the first step would be to re-establish the joint strategic intelligence group with revised membership. This group would coordinate across partners on behalf of the board. The group would be required to maintain oversight of process & links across topics/ themes, identify Strategic/ service leads to input to relevant themes/ topics and steer and oversee existing work among other duties outlined in the report.

Officers informed members of the next steps to be taken outside of the meeting, the first step would be for the intelligence work group to be convened and provide a list of the top ten topics/ themes for work.

The presentation prompted discussion by members some of the key points being:

Members were pleased with the top ten outlook on themes/ topics as it had been identified previously that too broad of a focus can be detrimental to making progress. There was also praise for the data driven analysis put forward in the report. It was also suggested that Public Health would take a leading role in the working group due to their close working relationship with NHS partners.

Members AGREED to note the report.

HWB/60/23 Joint Health and Wellbeing Strategy - Strategic Approach

The Health and Wellbeing System had developed since the production of the last Joint Health and Wellbeing Strategy which was due to be refreshed. Officers explained that the refresh process would be achieved through work with Board partners.

The recommendations set out in the report were:

- Note the background work undertaken to date.

- Consider and approve the proposed approach and actively support the proposed Board strategy development sessions.
- Support establishing a small task-and-finish group as required, to progress the work on behalf of the Board, including ensuring appropriate staff capacity is identified to sit on this group.
- Receive further updates on progress.

Officers gave an update to members which outlined the context of the review and how it had evolved since the last Strategy had been produced. And how it would work well with the broader national work such as Build Back Fairer: The Covid-19 Marmot Review.

Work had been already undertaken some of which was, The Tees Valley Integrated Care Partnership had produced a Tees Valley ICP plan which set out some of the key work areas across the Tees Valley footprint.

Another piece of work which had been undertaken by the SBC Public Health to review key population data to help draw out and highlight key health and wellbeing issues for the borough.

A resident's survey had also been undertaken through out the borough, other significant pieces of engagement work had been undertaken with the community which would be drawn on to support and inform the development of the strategy.

Offices went on to highlight the proposed process of the strategy refresh, which would be two workshops for the Health & Wellbeing Board which would:

- Review the current Strategy including discussion on how far it has driven joint action and strategic direction across the system and enabled effective delivery against strategic outcomes.
- Discuss and agree how the system and the Board should work together to achieve strategic outcomes set out in the new Strategy as it is developed, including the fit of the Strategy in the wider local system (e.g. in relation to the ICP place plan and the new Local Partnership Board)
- Review the key population data (in the context of national policy) to enable the Board to take a view on key strategic priorities and scope for the new Strategy.

Update reports would be brought to the Health & Wellbeing Board periodically as the Strategy development progressed.

Members AGREED the recommendations.

HWB/61/23 Care and Health Zone

Members of the Board were given an presentation on the Care and Health Zone Project. The vision for the development of the existing business park and surrounding area was put forward. Officers highlighted several points to members during the presentation, they were as follows:

- To breathe considerable new life into Teesdale Business Park and ensure all 50 hectares are fully utilised. We will create the buzz and dynamic environment that Teesdale has always promised but has, as yet not fully delivered.

- To bring forward the holistic regeneration of the 60 hectares Tees Marshalling Yards site for both employment and housing and other ancillary uses.
- To grow all aspects of the health, public-health and social care sector, and their supply chains, on Teesdale Business Park and the Marshalling Yards and make us a recognised UK cluster.
- To link the new Care and Health Innovation Zone with Stockton Town Centre, to unlock the potential of the scheme and boost connectivity through transport and active travel links.

The rationale of the development was also discussed with the key points being, the creation of jobs and further prosperity in the borough, build better resourced/equipped health and social care sector and meet housing needs and help address the housing crisis.

Following the presentation members discussed with Officers the if an estimated timeframe for the work had been agreed. Officers emphasised that the project was a long-term vision for the area and members would be given regular updates as milestones and timeframes were agreed.

Members AGREED to note the report.

HWB/62/23 Right Care, Right Person

Officers presented the Right Care, Right Person update to members. This was a report originally given by the Police to other organisations. Officers brought it to the Health & Wellbeing meeting as it would be useful to inform members about the scheme.

The report sets out that the Right Care, Right Person project (RCRP) was a national project which would be delivered by Cleveland Police working with local partners. Also covered in the presentation was the governance of the project from the Executive Management Board chaired by the Police to tactical delivery meetings which would be held with local partners.

How and when data would be reviewed to judge the impact of the project was also covered in the report, which Members expressed an interest in the data and if it would show what the impact on Police time the project would have.

Members discussed that in the past Police had been required to attend instances involving mental health issue, which with the new proposal instances like this would be handled with other partner organisations more effectively. While still acknowledging that some instances would require a Police presence. Members were also keen to know if the project would allow more robust communication channels between the various partners, Health services and Police. Which Officers were able to assure them that a line of communication was in the framework of the project, and they would be able to bring further updates to future meetings.

Members AGREED to note the update.

HWB/63/23 Members Updates

The Health Watch informed members that they would be holding an annual event on 21st February 2024, with any board members being welcome to attend.

There were no further members updates.

HWB/64/23 Forward Plan

The forward plan was noted.

REPORT TO HEALTH AND WELLBEING BOARD

27th March 2024

REPORT OF: Better Care Fund (BCF)

STOCKTON BETTER CARE FUND UPDATE

Stockton-on-Tees BCF Quarter 3 report

SUMMARY

The purpose of this paper is to provide the Health and Wellbeing Board with an update on the submission of the Stockton-on-Tees BCF Quarter 3 report.

RECOMMENDATIONS

The Health and Wellbeing Board are asked to:

1. Note the submission of the Stockton-on-Tees BCF Quarter 3 report to NHS England as part of the reporting requirements set out in the BCF Planning Requirements 23-25.

Background

The Better Care Fund (BCF) reporting requirements are set out in the BCF Planning Requirements document for 2023-25, which supports the aims of the BCF Policy Framework and the BCF programme; jointly led and developed by the national partners Department of Health (DHSC), Department for Levelling Up, Housing and Communities (DLUHC), NHS England (NHSE), Local Government Association (LGA), working with the Association of Directors of Adult Social Services (ADASS).

The key purposes of BCF reporting are:

- 1) To confirm the status of continued compliance against the requirements of the fund (BCF)
- 2) In Quarter 2 to refresh capacity and demand plans, and in Quarter 3 to confirm activity to date, where BCF funded schemes include output estimates, and at the End of Year actual income and expenditure in BCF plans
- 3) To provide information from local areas on challenges, achievements and support needs in progressing the delivery of BCF plans, including performance metrics
- 4) To enable the use of this information for national partners to inform future direction and for local areas to inform improvements

Details

This paper consists of the quarter 3 report which was agreed by the BCF Delivery Group and signed off by the Pooled Budget Partnership Board on behalf of the Health and Wellbeing Board. It was submitted to the NHS England on 9th February 2024.

REPORT TO HEALTH AND WELLBEING BOARD

27 March 2024

REPORT OF THE DIRECTOR OF PUBLIC HEALTH

Pharmaceutical Needs Assessment (PNA) Update

SUMMARY

This report serves to notify the HWB that the statutory review of the 2022 Pharmaceutical Needs Assessment has now commenced and an updated PNA is now due to be published by 1st October 2025.

In the interim, the HWB is required to keep the PNA up to date by maintaining the map of pharmaceutical services, assessing any on-going changes which might impact pharmaceutical need or require publication of a Supplementary Statement.

A review of the existing PNA has identified some changes in the availability of pharmaceutical services. The Director of Public Health has prepared an updated map of pharmaceutical services on behalf of the HWB. This will be published on the Health and Wellbeing Board website.

RECOMMENDATIONS

1. To note the existing 2022 PNA is now under review.
2. To note the updated map which will be published on the Stockton-on-Tees website
3. To note the changes in ownership, pharmacy closure and change in opening hours of 100 hour pharmacies
4. To note the establishment of the PNA Steering Group to oversee the review of the existing PNA and publication of an updated PNA by October 2025

DETAIL

1. The Stockton-on-Tees Health and Wellbeing Board (HWB) published its first Pharmaceutical Needs Assessment (PNA) on 25 March 2015, in accordance with the statutory duty to do so and published subsequent updates in 2018 and 2022.
2. The legislation that describes the HWB's duties in this regard is the **National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013ⁱ** (as amended). As well as describing what each PNA was required to consider when they were first developed and published, these 2013 Regulations also describe how each local Assessment must be maintained by the HWB.
3. In accordance with this, you will be aware that a full revised assessment of the Pharmaceutical Needs Assessment is due to be published by 1st October 2025
4. In the interim, the HWB is required to keep the PNA up to date by maintaining the map of pharmaceutical services, assessing any on-going changes which might impact pharmaceutical need or require publication of a Supplementary Statement.
5. The following changes to availability of pharmaceutical services are noted

PHARMACY CLOSURES

The following pharmacy closed on 16th March 2024.

Boots UK Ltd, 12 Wrightson House, Mitchell Avenue, Thornaby, Stockton-On-Tees, TS17 9EP

The Pharmacy provided the following pharmaceutical services; essential services, advanced services (Pharmacy First, NMS, Flu Immunisation, Emergency Supply) and Public Health Commissioned Services – Supervised Consumption, Condom Supply, Stop Smoking and EHC.

CHANGES IN OWNERSHIP

31/1/24 The pharmacy trading as Pharmacy 365, 161-162 High Street, Stockton-on-Tees, Cleveland, TS18 1PL changed ownership to Bestway National Chemists Ltd trading as Well

31/1/24 The pharmacy trading as Norchem, Queens Park Surgery, Farrer Street, Stockton-on-Tees, Cleveland, TS18 2AW changed ownership to Bestway National Chemists Ltd trading as Well

1/2/24 The pharmacy trading as Well, 70 Bishopton Lane, Stockton-on-Tees, Cleveland, TS18 2AJ changed ownership to Pyramid Pharma 7 Ltd trading as Stockton Pharmacy

20/2/24 The pharmacy trading as Rowlands 106 Yarm Lane, Stockton on Tees, TS18 1YE changed ownership to Sharief Healthcare Limited trading as Allied Pharmacy Yarm Lane

CHANGES TO PHARMACY OPENING HOURS

On 25th May 2023 regulatory changes were made to allow existing 100-hour pharmacies to apply to reduce their hours to a minimum of 72 hours / week subject to certain restrictions. Any existing core opening hours must remain that are: - Monday to Saturday between 5pm and 9pm; - Sunday between 11am and 4pm, and - Sunday's total opening hours (i.e., the existing, total core opening hours on Sundays must remain). There are 8, 100-hour pharmacies in Stockton on Tees. Since the change in regulations 6 of the 8 pharmacies have reduced their hours to between 72-90 hours / week. 2 of our 100 pharmacies remain open 100 hours / week.

An updated map has been produced and will be published.

An updated pharmaceutical list will be published alongside the updated map.

6. This report also serves to provide notice from the HWB that the 2022 PNA is now undergoing review in-line with the extended Regulatory requirement. Whilst the PNA review process is on-going, the HWB will continue to monitor any changes to availability of pharmaceutical services.
7. A Stockton- PNA Steering Group will be established to oversee the review and production of the updated PNA. The Health and Well Being Board will be kept updated on its progress.

FINANCIAL IMPLICATIONS

8. No direct financial implications

LEGAL IMPLICATIONS

9. The NHS Act (the “2006” Act), amended by the Health and Social Care Act 2012, sets out the requirements for HWBs to develop and update PNAs and gives the Department of Health (DH) powers to make Regulations.

RISK ASSESSMENT

10. See legal implications above.

COMMUNITY IMPACT IMPLICATIONS

11. The aim of the PNA is to assess the pharmaceutical services required to meet the needs of the local population, taking account of demographic change and the current and future health needs in Stockton-on-Tees.

COUNCIL PLAN POLICY PRINCIPLES AND PRIORITIES

12. The PNA will be reviewed with due consideration of the Stockton-on-Tees Joint Health and Wellbeing Strategy and Council Plan.

CONSULTATION, INCLUDING WARD/COUNCILLORS

13. The review of the PNA includes a formal consultation requirement which is defined in the regulations. All relevant local stakeholders will be consulted as part of this process.
