		• Children who are EHE (Electively Home Educated) • Children who have no school base and are EOTAS (Educated Other Than at School) • Children who move into the borough and are waiting for a school place RESOLVED:- Home and Hospital (H&H) 1. That staffing capacity is reviewed to ensure provision remains, safe, responsive and broad enough in curriculum and that the staffing model adopted provides flexible and responsive provision in the most cost-effective way. 2. That opportunities are explored and expanded for peer social interaction. 3. That opportunities for partnership working to enhance both curriculum and enrichment are explored. 4. The re-integration pathways are explored. Electively Home Educated (EHE) 5. That a more relational approach be strengthened with EHE families with identification of dedicated staffing resource to promote this. 6. That clearer information is provided to parents about: • Examination entry processes • Associated costs • Available support services 7. That work continues to prepare for legislative changes on compulsory registers and strengthened Local Authority powers. 8. That the range of support shared via EHE networks is broadened. 9. That opportunities for partnership working to strengthen intervention and support are explored. 10. That the capacity for schools to provide early intervention and support in

		response to emotional and mental health needs is reviewed. 11. That best practice identified at the Attendance Networks on re-integrating vulnerable learners into school is widely and regularly shared. 12. That the support available to children and their families experiencing Emotional Based School Avoidance (EBSA) is widely and regularly shared. 13. That the Team Around the School be fully appraised of the needs of previously Electively Home Educated pupils who are returning to mainstream education to support and nurture them back into school. Children Missing from Education (CME) 14. That off roll audits are maintained and expanded to prevent inappropriate removal from school rolls. 15. That opportunities to work in partnership with the Voluntary and Community Sector are fully utilised to gather intelligence. 16. That consideration is given to how the social care reforms can be used to reduce the number of children missing from education. Educated Other than at School (EOTAS) 17. That multi-agency working arrangements for children receiving EOTAS be strengthened, to ensure earlier, coordinated planning for children with complex needs, with education, health and social care partners jointly developing, owning and reviewing EOTAS packages to improve timeliness, quality and outcomes. Alternative Provision (AP) 18. That the new QA framework is implemented fully with follow up action plans for providers needing improvement. 19. That AP networks continue to be expanded to promote consistent practice. 20. That action is taken to ensure that all AP placements have a clear

A6	Procurement of Temporary and Supported Accommodation Contracts	<u>STOCKTON-ON-TEES BOROUGH COUNCIL</u> <u>CABINET DECISION</u> <u>PROFORMA</u> Cabinet Meeting 18 June 2026 1. <u>Title of Item/Report</u> Procurement of Temporary and Supported Accommodation Contracts 2. <u>Record of the Decision</u> Consideration was given to a report on the Procurement of temporary and supported accommodation contracts.

Stockton on Tees Borough Council – Decisions taken by the Cabinet on Thursday 18 June 2026

Agenda Item No	Topic	Decision
		The report sought approval to commence a procurement exercise to ensure that the Council had access to appropriate temporary emergency and supported accommodation for adults (singles, couples and families), children in Council care (over 16 years of age), care leavers and 16 and 17 year olds who were homeless or at risk of homelessness. As members were aware, significant cross cutting work was ongoing at the present time to improve access to affordable housing, particularly to increase the availability of 1-bed properties. In addition (and as detailed within the body of the report) work was ongoing to proactively prevent children entering care and to support the reunification of children with their birth families. These key strands of work would have a positive impact on the demand for temporary and supported accommodation including reducing overall expenditure; however, they would take some time to deliver measurable outcomes. In the interim, it was essential that appropriate temporary and supported accommodation provision was maintained to meet the needs of adults (including singles, couples and families), children in Council care aged 16 and over, care leavers and 16–17-year-olds experiencing homeless. It was therefore proposed to proceed with the procurement approach outlined paragraphs 12 to 15 and 31 to 35 of the report. RESOLVED that:- 1. The proposal be approved (as detailed in paragraph 12 to 15 of the report) to move forward with the procurement of new contracts for both Temporary and Supported Accommodation for adults (including singles, couples and families).

		2. The proposal be approved (as detailed in paragraph 31 to 35 of the report) to move forward with the procurement of new contracts for Supported Accommodation for 16-year-old and over Children in Our Care, Care Leavers and 16 and 17 year-olds who are homeless or at risk of homelessness. 3. Authority be given to the relevant Director or Assistant Director to make the specific contract award decision and any subsequent contract variation, annual inflationary uplifts (where allowed in the contract terms and conditions) and extension decision. 3. <u>Reasons for the Decision</u> The provision of temporary accommodation is essential for the Council to meet its statutory duties to those experiencing homelessness, ensuring that interim accommodation is available while individual secure a permanent home. This differs from supported accommodation, which is designed to support individuals who are not yet ready for independent living. Supported accommodation provides targeted support to help individuals develop the necessary skills, resilience and confidence required to sustain a tenancy and transition successfully into independent living. The provision of both temporary and supported accommodation directly contributes to the ambitions set out in the Stockton-on-Tees Plan, particularly in delivery the Best Start in Life and Healthy and Resilient Communities priorities. 4. <u>Alternative Options Considered and Rejected</u> None

A8	Powering our Future: Supporting People to Live Independently (Phase 2)	<u>STOCKTON-ON-TEES BOROUGH COUNCIL</u> <u>CABINET DECISION</u> <u>PROFORMA</u> Cabinet Meeting 18 June 2026 1. <u>Title of Item/Report</u> Powering our Future Supporting People to Live Independently - Phase 2 2. <u>Record of the Decision</u> Consideration was given to a report on Powering our Future Supporting People to Live Independently - Phase 2. In October 2024, the Council completed the Phase 1 of the Powering Our Future (POF) review with the decommissioning of contracted Discharge to Assess (D2A) service and the transfer of this capacity into the Council's reablement service. This was fully implemented in 2025/6 and (as illustrated in

		Figure 1 of the report), Phase 1 delivered significant growth in the numbers benefiting from reablement support. Phase 2 was to consider what additional opportunities there were for further development. During 2025/26, the Council worked with Peopletoo (independent consultancy firm with expertise in Adult Social Care & Integrated Health) to look at opportunities for greater reach for the Reablement Service alongside supporting Adult Social Care and Health (ASCH) Scrutiny Committee (Appendix 1 of the report) who undertook a scrutiny review of reablement (published December 2025). Consistent with the Council's design principles (reducing inequality and prioritise prevention, having efficient processes and use data and intelligence to inform the decision) the Council had reflected on the findings from Peopletoo and ASCH and, working with stakeholders (including the NHS) developed an outline plan for Phase 2 that would maximise the efficiency and effectiveness of the processes and pathways to support people being discharged from hospital and those living in the community. A key element of Phase 2 was expanding the scope for the Stockton-on-Tees Borough Council (SBC) Reablement service alongside the commissioning of assessment beds. This was intended to strengthen alignment with One Call and commissioned services, reduce reliance on bed-based rehabilitation, and increase the ability to positively impact a greater number of people. RESOLVED that the direction of travel be agreed for the proposed service improvements planned under Phase 2.
