- **Safer Stockton Partnership (SSP):** The SSP is the local community safety partnership and works together to reduce crime and anti-social behaviour (ASB) – meeting dates, agendas and minutes can be accessed via <https://moderngov.stockton.gov.uk/ieListMeetings.aspx?CId=1144&Year=0>. Every three years, the SSP undertake a Crime and Disorder Audit and, following public consultation, produce a Community Safety Plan which sets out how agencies within the Partnership intend to achieve targets in crime reduction – the latest version is the [Stockton-on-Tees Community Safety Strategy 2022-2025](#). Government is consulting on part two of the Community Safety Partnership (CSP) Review, with Councils giving input into the Local Government Association's (LGA) response – there is appetite amongst Councils for a more fundamental look at the partnership duty landscape and how CSPs work with Police and Crime Commissioners (PCCs).
- **Serious Violence Duty:** The Duty (Aug 22) <https://www.gov.uk/government/publications/police-crime-sentencing-and-courts-bill-2021-factsheets/police-crime-sentencing-and-courts-bill-2021-serious-violence-duty-factsheet> and associated guidance (Dec 22): https://www.gov.uk/government/news/efforts-to-tackle-serious-violence-and-homicide-stepped-up?utm_medium=email&utm_campaign=govuk-notifications-topic&utm_source=66d44b4c-9d22-4f1d-aed7-517818847183&utm_content=immediately. The Home Office plan to update the guidance to the Serious Violence Duty (SVD) – the LGA will be giving views (Councils have contributed to this).
- **Martyn's Law:** ([The Terrorism \(Protection of Premises\) Draft Bill](#) has recently (May 23) been published, which will introduce new requirements for those responsible for certain public premises or events to take protective security measures to mitigate against terrorist attacks. Also known as Martyn's Law, this will likely have a number of implications for Councils. Further details can also be found on [the Home Office's Martyn's Law factsheet](#). The LGA has recently (Apr 23) published [a case study highlighting how Manchester Council](#) has embedded the principles of Martyn's Law into their licensing process. The Terrorism (Protection of Premises) Act 2025, also known as Martyn's law, received Royal Assent on Thursday 3 April. Now that the legislation has received Royal Assent, the LGA expect the implementation phase will be at least 24 months. The LGA continue to signpost people to both [Protect UK](#) and [Gov.UK](#) for further information and updates on the Terrorism (Protection of Premises) Act 2025. Materials and guidance to support duty holders will be published on either Gov.uk or Protect UK.
- **Modern Slavery:** [New modern slavery risk assessment and due diligence guidance for local authority commissioners of adult social care](#), produced by the University of Nottingham Rights Lab in tandem with the LGA, was published in October 2023 - it provides advice on to how to set up effective local systems to identify and manage the risks of modern slavery in adult social care. The LGA has established a modern slavery network for Council officers leading on work to tackle modern slavery – the network meets

quarterly via Teams and aims to share good practice and discuss current issues. In March 2025, the Home Office [published its end of year summary for the National Referral Mechanism \(NRM\)](#) and Duty to Notify Statistics in 2024. The statistics provide a breakdown of the number of potential victims of modern slavery referred into the NRM. 19,125 potential victims of modern slavery were referred to the Home Office last year, representing a 13 per cent increase compared to the preceding year. The [Home Office has published their Action Plan on modern slavery](#), which sets out the Home Office and partners' actions to tackle modern slavery over the next 12 months, and long-term ambition over the coming years. It sets the strategic approach for the next financial year, reflecting current parameters and constraints (including resourcing and budget). The Plan is focussed on the following four pillars; developing an approach to prevention, reforming the identification system, tailoring victim support, and improving criminal justice outcomes. [Middlesex University and Anti-Slavery International have completed research exploring the role of local authorities as first responders](#). The report looks at the challenges and opportunities facing Councils, and focuses on the need to improve training, awareness, and collaboration to strengthen the local response to modern slavery.

- **Youth Offending:** *Turnaround* is a voluntary youth early intervention programme led by the Ministry of Justice. The programme provides multi-year grant funding to Youth Offending Teams (YOTs) across England and Wales until March 2025, enabling them to intervene earlier and improve outcomes for children on the cusp of entering the youth justice system. The eligibility criteria for *Turnaround* includes; children involved in anti-social behaviour (ASB) – ranging from coming to notice for repeated involvement in ASB up to and including receiving a Civil Order for ASB. The Ministry of Justice is encouraging all community safety teams to engage with their local YOT Manager or Management Board to discuss a referral pathway for eligible children so they can be offered support via *Turnaround*.
- **Anti-Social Behaviour (ASB):** The Local Government and Social Care Ombudsman issued a press release in August 2023 expressing concern that [Councils were not doing enough to help victims of ASB](#). The Ombudsman has also produced a [learning lessons from complaints about antisocial behaviour](#) document which includes scrutiny questions for Councillors. The [ASB Action Plan](#) has since been updated (March 2024).
- **CONTEST:** In July 2023, the Government published its [updated counter-terrorism strategy, CONTEST](#), which judges that risks from terrorism are rising. In related matters, SBC rolled-out mandatory staff training around the Prevent and Protect duty at the end of April 2023. In March 2024, the Government [published a new definition of extremism](#), updating the one in the 2011 Prevent Strategy and to reflect the evolution of extremist ideologies and the social harms they create. The Government also recently published a [progress report one year on from the publication of the Independent Review of Prevent](#). This sets out that 30 of the 34 recommendations are now complete, including updated statutory guidance, training and the assessment framework, the launch of a new [Standards and Compliance Unit \(STaCU\)](#) to handle complaints and provide oversight.
- **Fire & Rescue:** [State of Fire & Rescue 2022](#) - His Majesty's Chief Inspector of Fire and Rescue Services Annual Assessment of Fire and Rescue Services in England. Arson and deliberate fire setting remain a significant issue for Cleveland Fire Brigade with Cleveland being the arson capital of the UK – in October 2022, Cleveland Fire Brigade [appealed for everyone to become a FireStopper in a new bid to reduce arson and violent attacks on Firefighters](#).

- **Shoplifting:** Police to treat shoplifting like organised crime (BBC online article published in October 2023): <https://www.bbc.co.uk/news/business-67191793>. In November 2024, it was reported that incidents of shoplifting had reached a 20-year high, according to figures recorded by the police. A survey of shopkeepers by the Association of Convenience Stores found that 94 per cent felt that the problem had worsened in the last 12 months: [Sky: 'We need help': Workers say shoplifting is 'out of control' after surge in brazen thefts](#).
- **Dangerous Dogs Act 1991:** The Government has added the XL Bully breed type to the list of dogs banned under the Dangerous Dogs Act 1991 in England and Wales. From 31 December 2023, breeding, selling, exchanging, advertising, rehoming, gifting, abandoning, and allowing an XL Bully dog to stray will be illegal, and these dogs must be muzzled and on a lead in public. From 1 February 2024 it will be a criminal offence to own an XL Bully in England and Wales unless the owner has a Certificate of Exemption. [Defra has published further information about how to prepare for the ban which will be updated regularly](#), and they will continue engagement with stakeholders. In March 2024, the LGA wrote to Council chief finance officers on behalf of DEFRA about new burdens funding relating to the XL Bully Ban for 2023-24.
- **Licensing:** [Legislation has been introduced into Parliament to amend the Licensing Act 2003](#) so that it is easier to get changes to licensing hours for special events or occasions, such as significant sporting events, through Parliament. The Bill is more concerned with parliamentary process than the contents of the Licensing Act itself. The Local Government Association (LGA) understands this legislation has Government support, so is likely to complete its parliamentary stages and become law. The British Beer & Pub Association has [produced advice for licensees showing European Championship football matches](#) – this is an update of the previous World Cup guidance.
- **Domestic Homicide Reviews (DHRs):** The LGA and DAC conducted a survey regarding DHRs - [the results can be found on the LGA website](#). The LGA, Association of Police and Crime Commissioners (APCC) and Domestic Abuse Commissioner (DAC) formed a Domestic and Related Deaths Review (DARDR) forum for those who are involved in commissioning DARDRs or DHRs. There are currently 195 members of the forum from Councils, police, Offices of Police and Crime Commissioners and health. The forum set up a task group to give recommendations to government to consider in the forthcoming output from a review of DARDRs. The second phase will begin shortly where access to qualified chairs and costs will be considered.
- **Float to Live campaign:** The [RNLI's Float to Live campaign](#) took place on 21 May 2024. The ['float to live' message has saved lives](#), and the RNLI is keen for Councils to support the campaign to raise more awareness amongst local communities. It has produced [a free social media toolkit](#) which may be of interest to Council communications team.
- **Fires involving e-bikes and e-scooters:** The Office for Product Safety & Standards (OPSS) has written to heads of trading standards, asking that, where resources and prioritisation allow, Trading Standards services identify and inspect bike repair businesses and where possible inform OPSS of their findings.
- **Khan Review:** Dame Sara Khan has published her [independent review into social cohesion and resilience](#). Recommendations include the establishment of a new Office for Social Cohesion and Democratic Resilience (OSCDR), a 5-year Social Cohesion and Democratic Resilience Strategy (SCDR) and Action Plan, and that Government should better engage with Local Authorities over actions that could undermine social cohesion – for example in relation to asylum dispersal.

- **Taxi Licensing:** An [HMRC consultation](#) ended on 8 August 2024 on the VAT implications of court judgements that proposes abolishing the current licensing system, which differentiates between Taxis and PHVs, and moving to a single-tier system. The LGA will respond.
- **Safe Access Zones Around Abortion Clinics:** Councils have been contacting the LGA regarding Safe Access Zones around abortion clinics. The LGA have been engaging with government to ensure safe access zones can be established. Legislation will come into force from 31 October 2024 and will make it illegal for anyone to do anything that intentionally or recklessly influences someone's decision to use abortion services, obstructs them, or causes harassment or distress to someone using or working at these premises. The law will apply within a 150-metre radius of the abortion service provider. The College of Policing and the Crown Prosecution Service will be publishing operational guidance to ensure there is clarity and consistency with the enforcement of the new offence. Further information is available at: [Protection zones around abortion clinics in place by October - GOV.UK \(www.gov.uk\)](#).
- **Trading Standards:** Illegal imported sweets which contain banned additives linked to cancer and behavioural problems are "flooding UK high streets", councils have said (see February 2025 article: https://www.theguardian.com/uk-news/2025/feb/13/imported-sweets-american-candy-flooding-uk-high-streets-councils-banned-additives?utm_medium=email&utm_source=govdelivery). The warning first came from the Chartered Trading Standards Institute, which said that demand for American confectionery was being driven by influencers on social media platforms, leading to high street shops and smaller convenience stores stocking the products.
- **Crime and Policing Bill:** Early-2025 saw the UK Government introduce the Crime and Policing Bill to Parliament. Key provisions include:
 - **Powers for Theft Recovery:** Police can now enter properties without a warrant to recover stolen items located via electronic tracking, such as 'find my phone' apps. This change enables swifter action during critical investigation periods.
 - **Protection for Retail Workers:** The bill introduces a specific offence for assaulting retail workers, ensuring better safeguards for employees in shops and supermarkets.
 - **Addressing Antisocial Behaviour:** New "Respect Orders" will ban habitual offenders from town centres, and police are empowered to seize vehicles like off-road bikes and e-scooters used irresponsibly in public spaces.
 - **Combatting Knife Crime:** Measures include increased penalties for selling dangerous weapons to minors and the creation of a new offence for possessing a blade with intent to cause harm.
 - **Violence Against Women and Girls:** The bill strengthens Stalking Protection Orders, criminalises spiking incidents, and restricts registered sex offenders from changing their names to evade detection (note: publication of a new VAWG government strategy is expected later in 2025).
 - **Child Protection:** A new duty mandates adults in specific roles to report instances of child sexual abuse, implementing recommendations from the Independent Inquiry into Child Sexual Abuse.
 - **Public Order Enhancements:** The legislation bans face coverings used to conceal identity during protests and criminalises climbing on designated war memorials, promoting respect for public monuments.
- **Young Futures Programme:** The Young Futures Programme is a national, cross-government plan to prevent youth violence by proactively identifying and supporting young people most at risk. Central to the strategy are Young Futures Hubs, local centres that bring together mental health services, education, career advice, youth workers and police. Prevention Partnerships, which are multi-agency panels, will be introduced where there are Violence Reduction Units. This will work with communities, charities, schools, health services and police to map risk, co-ordinate early interventions and tailor support packages. These

panels harness VRU expertise and local knowledge to spot vulnerabilities early, reduce youth involvement in crime (including knife crime and violence against women and girls), and offer continuous, evidence-based support. Each area with a VRU area will introduce a Prevention Panel from October 2025. Roll out to further areas is expected from April 2026.

- **Water Safety:** 25 July is World Drowning Prevention Day. This is a good opportunity for Councils to share water safety advice and guidance with local communities. The [National Water Safety Forum website](#) has information which can support Councils with any social media activity or events. The [LGA also has a water safety toolkit](#) which Councils may find helpful.
- **Police and Crime Commissioner (PCC) for Cleveland:** Further information on the office of the PCC can be found on via <https://www.cleveland.pcc.police.uk/commissioner/office/> - this includes engagement with the **Cleveland Police and Crime Panel (PCP)**. Access to PCP agendas and papers can be found via <https://www.cleveland.pcc.police.uk/commissioner/office/the-work-of-cleveland-police-and-crime-panel/>.
