

COUNCIL – 19 NOVEMBER 2025
PUBLIC QUESTIONS

QUESTION 1
<p>Public Question submitted by Robert Bussey:</p> <p>“Can the Leader explain why key planning conditions approved by the Council’s Planning Committee in 2014 were removed from the final 13/0342/EIS decision notice issued nearly three years later, without returning to committee or informing the public?”</p> <p>Received 9 October 2025 10:07</p>

QUESTION 2

Public Question submitted by Alan Snead:

“The government put forward the guidance document for Cross Paving Solutions for EV charging at home in 12/24 and many councils have introduced these solutions and allow for planning permission and support for them. Such as the common cost-effective solution of gullies.

Stockton Council have not adopted or provided any guidance on this.

Are there plans or news on any progress on cross-paving solutions for home charging of EV vehicles within the council plans? If not, why?”

QUESTION 3

Public Question submitted by John McDermottoe:

“What due diligence, if any was carried out before purchasing Debenhams on the high street? Was a survey carried out? Was an appraisal of refurb costs done? Was a GDV sought from a suitable professional? Is this building to become yet another money pit for the Tax payers of the Borough of Stockton?”
