

## Council Chamber, Dunedin House Evacuation Procedure & Housekeeping

### Entry

Entry to the Council Chamber is via the Council Chamber entrance indicated on the map below.

In the event of an emergency alarm activation, everyone should immediately start to leave their workspace by the nearest available signed Exit route.

The emergency exits are located via the doors on either side of the raised seating area at the front of the Council Chamber.

Fires, explosions, and bomb threats are among the occurrences that may require the emergency evacuation of Dunedin House. Continuous sounding and flashing of the Fire Alarm is the signal to evacuate the building or upon instruction from a Fire Warden or a Manager.

The Emergency Evacuation Assembly Point is in the overflow car park located across the road from Dunedin House.

**The allocated assembly point for the Council Chamber is: D2**

All occupants must respond to the alarm signal by immediately initiating the evacuation procedure.

When the Alarm sounds:

1. **stop all activities immediately.** Even if you believe it is a false alarm or practice drill, you MUST follow procedures to evacuate the building fully.
2. **follow directional EXIT signs** to evacuate via the nearest safe exit in a calm and orderly manner.
  - do not stop to collect your belongings
  - close all doors as you leave
3. **steer clear of hazards.** If evacuation becomes difficult via a chosen route because of smoke, flames or a blockage, re-enter the Chamber (if safe to do so). Continue the evacuation via the nearest safe exit route.
4. **proceed to the Evacuation Assembly Point.** Move away from the building. Once you have exited the building, proceed to the main Evacuation Assembly Point immediately - located in the **East Overflow Car Park**.
  - do not assemble directly outside the building or on any main roadway, to ensure access for Emergency Services.

**5. await further instructions.**

- **do not re-enter the building under any circumstances without an “all clear”** which should only be given by the Incident Control Officer/Chief Fire Warden, Fire Warden or Manager.
- do not leave the area without permission.
- ensure all colleagues and visitors are accounted for. Notify a Fire Warden or Manager immediately if you have any concerns
