Which of our strategic corporate objectives does this topic address?

The topic of Post 16 Education directly addresses Priority one: The best start in life to achieve big ambitions Key Move Giving children and young people the best possible start, in an inclusive community where everyone can thrive, as it includes the action to work with Schools and Post-16 providers to increase the number of children and young people in Education, Employment and Training at ages 16 – 18 years, helping to grow their ambitions and meeting the needs of local employers.

What are the main issues and overall aim of this review?

There is a strong Post 16 offer in Stockton-on-Tees, with five providers offering a range of courses and qualifications to fulfil a variety of different passions and career aspirations. Achievement for young people at the end of their Post 16 Education is growing rapidly with a higher than national average A Level pass rate across the Borough of 97.7%.

However, enrolment figures for in Borough providers have been impacted in recent years with more Stockton-on-Tees students choosing to attend out of Borough providers in Middlesborough and Darlington, who offer similar courses. Only one out of Borough provider beats In Borough A Level A*-B outcomes.

A survey of Young People approaching the end of Year 11 by the Careers team, asking about their readiness for leaving school, found that 13.1% of students had not had a careers discussion at all in advance of sitting their GCSEs. A further 18.1% of students surveyed said they had not made a clear decision about their next steps after school. These findings suggest that Stockton students are largely unaware of the current offer available to them and improvements are needed to the existing communications strategy to effectively reach the providers target audience.

While the number of students completing Post 16 Education is growing, with an increase of over 300 students over 5 years, statistics show that a small minority of 16-17 year olds in the Borough are at risk of or have become NEET (Not in Education, Employment or Training) since beginning

Key Stage 5. Economic inactivity significantly impacts upon an individual's economic growth potential and is often associated with an increased likelihood of involvement in antisocial behaviour and crime. During the 2022/23 academic year, 1.6% more students who attended a Post 16 provider IN BOROUGH (5.3%) dropped out in Year 12 than those OUT OF BOROUGH (3.7%) Overall, 7% of our Year 13 students, whether they attended a Post 16 provider in or out of Borough were NEET by the end of November 2024. These numbers are much too high.

A minority of students choose to dropout within the first three months of starting a Post 16 qualification, therefore a core focus of the Post 16 enrichment strategy is to improve transitional support. Post 16 education involves an increase in independence, greater difficulty of work and a new structure to the day. These factors are often responsible for dropouts, but it is also important to consider other external factors such as health and wellbeing, financial situation, and access to transport. Transition from secondary school to Post 16 education need to be as seamless as possible, helping Young People to overcome some of these factors and avoid becoming NEET.

Therefore, areas that would benefit from development include:

- Attraction & Retention rates
- Current NEET statistics
- Internal awareness of strategic funding opportunities
- Communication & Marketing of our offer

The review aims to consider the current position, challenges, and proposed solutions in the Stockton-on-Tees post 16 provision. This will inform the Post 16 enrichment strategy currently in development.

The Committee will undertake the following key lines of enquiry:

- How well are stakeholders collaborating to minimise any challenges?
- What careers advice do school leavers receive prior to applying for courses/apprenticeships?
- How do school leavers find out about post-16 providers and courses available?
- What extra-curriculum activities do post-16 providers provide and how are these marketed?
- Are there any extra benefits that can be offered to school leavers by post-16 providers?
- What pastoral arrangements are in place at post-16 provisions?
- What financial support is available for school leavers to apply for?
- Which courses/providers are young people dropping out from?

Who will the Committee be trying to influence as part of its work?
