Chairman's Conclusion

The third year of this administration has been once again challenging both for the authority and personally and I must give my thanks to the Vice Chair and elected members of the Committee for their support and a strong commitment to the work for which they have been given responsibility. We saw changes to the Committee during the year with Cllrs Johnson and Mazi joining us and getting up to speed with some very complex issues. The members have studied agendas and asked searching questions of officers not only presenting reports but also requesting further investigation of issues and explanation by the Chair and supporting officers of the committee. From the information received and reviewed the committee has not identified any issues that are not already being managed effectively that required escalation.

On behalf of the Committee, I have attended online the Northeast Regional Audit Committee Chairs Forums along with officers to receive presentations and discussion on shared ideas and developments both regionally and nationally.

The most relevant information affecting this Committee and officers which we were made aware of once again from external Auditors Forvis Mazars and our own Officers during the previous year were the announcement of "Backstop arrangements" as follows:

Key elements of the proposals:

A statutory backstop date of 13 December 2024 to clear the backlog of unaudited accounts up to and including FY 2022/23 still sees some authorities struggling to reach the dates. Four further backstops for Financial Years up to and including 2027/28 to allow the system to recover are:

- 2024/25: 27 February 2026
- 2025/26: 31 January 2027
- 2026/27: 30 November 2027
- 2027/28: 30 November 2028

There is still a significant backlog of outstanding external audits as reported to previous years Audit and Governance Committees, councils and other local bodies did not publish audited accounts on time.

The Members were presented with the Anti-Fraud and Corruption Strategy (duly noted) While recognising the valuable contribution made by members we must also pay tribute to the officers of this Authority who despite reduced staffing, reorganisation and a harsh financial environment have worked diligently to ensure sound fiscal controls and compliance with relevant regulations often being subjected to extra pressures due to delays in the delivery of information from external institutions yet again however changes to their external auditors will hopefully ease the situation.

Reorganisation of the Council's management structure has proved successful with officers in many cases taking on different and added responsibilities this must of course be monitored, and a work / life balance must be maintained.

The Council faces extreme pressures on budgets as do all Authorities from Children's and Adult Services however the external Audit report confirmed that the Council MTFP was developed on "reasonable assumptions" and recognises the assumptions made therein.

In conclusion I would add that our officers have worked both in the office and occasionally from home throughout the year in a challenging environment showing a commitment and dedication to the Borough's sound financial management under at times extreme pressure and for this effort we must record our gratitude as a committee and a Council.

The Audit and Governance Committee is established with comprehensive terms of reference. The Chair of the Audit and Governance Committee has prepared this annual report on the Committee's work for presentation to Cabinet and hopefully this shows that effective corporate and ethical governance is critical to an authority's performance and in demonstrating continuous improvement it's therefore, a fundamental element of the modernisation agenda. Probity, transparency and high standards are an inherent part of corporate/ethical governance.
