

COUNCIL – 22 JULY 2026
PUBLIC QUESTIONS

QUESTION 1

Public Question submitted by Brian Wragg:

“Whose idea was it to buy or lease the new recycling vehicles? Is he being held to account for this? Who is paying for the extra vehicles that are collecting food waste (open back truck) what are the extra costs and how long will this continue? Why were vehicles with 5 compartments chosen? Surely when one compartment full the vehicle must go to unload?”
