

Project recap

Project Strategy

Urban design /
spatial analysis
to identify
streets and
spaces for
interventions

Undertake community consultation in the pilot areas to understand the physical and psychological barriers to physical activity within their locality

Develop a pipeline of costed placemaking interventions within the pilot areas

Identify
potential
funding
opportunities
to deliver the
identified
interventions to
maximise
project potential

Evaluate pilot
utilising
university
researchers to
implement a
borough wide
healthy streets
and spaces
strategy

Focus areas

High Newham Road, Hardwick

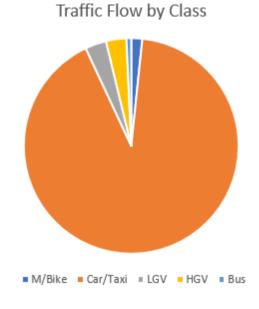

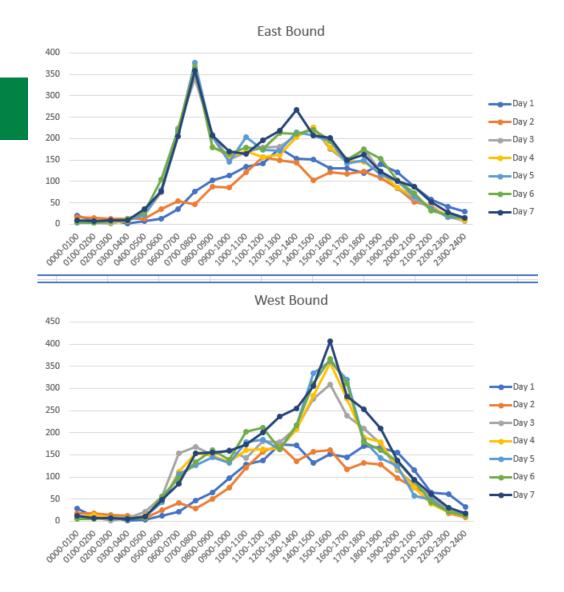

Bedford Street / Newtown Avenue, Newtown

Traffic surveys

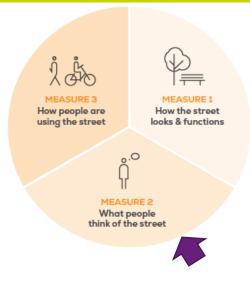

Extracts from automatic traffic count taken on High Newham Road

Community engagement - survey

- Community surveys are currently live on the "My views" platform
- Surveys are running until 31st July 23
- Leaflets promoting the surveys have been distributed to local residents, businesses and community groups in both areas

Community Engagement – focus groups

Cornerhouse Youth Project (Newtown)

Abbey Hill Secondary school (Hardwick)

HYPE youth Group (Hardwick)

Next steps

- Resident's survey running to 31st July
- Aspen Garden's resident focus group August
- In planning a series of "creative engagement events" over the summer holidays facilitated by university researchers - August 23
- In planning A design team to be appointed to work on design stage from September – November 23
