

COUNCIL MEETING – 20 SEPTEMBER 2023 MEMBER QUESTION TIME

The following question has been submitted by Councillor Shakeel Hussain for response by the Cabinet Member for Access, Communities and Community Safety:-

“The residents of Yarm Road have had to put up with sex workers on their doorsteps for the last 15 or so years. The residents have had enough so what will this labour council do to help the residents rid the area of sex workers who operate day and night. Even during school times?”
