

COUNCIL PUBLIC QUESTIONS

Public Question submitted by Patricia McHale for response by the Cabinet Member for Regeneration and Housing (Cllr Nigel Cooke):-

“Why have you chosen to provide housing with the levelling up money for Billingham. This was not our priority in consultation?”

Second question:-

“Is the planned housing for the west precinct social or private?”

Public Question submitted by Liam McHale for response by the Cabinet Member for Regeneration and Housing (Cllr Nigel Cooke):-

“The levelling up money for Billingham, the 2019 survey confirmed residents prioritise building houses extremely low, what alternatives to housing are counsellors proposing for the money?”

Second Question:-

How can the public engage with the Council to register disagreement with building more homes as well as discussing plausible alternatives like initiatives to help local small businesses access units?

Public Question submitted by Guy Snead for response by the Cabinet Member for Environment and Transport (Cllr Clare Besford):-

“Can I have an explanation of the downsides of having Parking Contravention Notices (PCN’s) issued from public submitted evidence?”
